2,389,792 on U.S. Payroll
WASHINGTON (AP)—Sen. Byrd (D-Va) reported Thursday that there were 2,389,792 regular civilian employees of the federal government in December, a decline of 4,532 compared with November. But he noted that the total still showed a net increase of 5,369 since the current fiscal year started last July. Byrd is chairman of the Joint Committee on Reduction of Non-essential Federal Expenditures.

Amity Store Sold
AMITY (Special)—Ray Heinenon of Grants Pass has purchased the Amity drug store from his brother, Phil Heinenon and will assume the management after Feb. 1. Mr. and Mrs. Ray Heinenon and daughters, Carol B. and Debbie C. have also purchased the home of Mr. and Mrs. Phil Heinenon. The Phil Heinenons plan to vacation before possibly moving to Arizona.

IF EVE HADN'T KNOWN
WASHINGTON (AP)—Sen. Robert S. Kerr (D-Okla) thinks the earth's water is unpopulated if Eve had been as ignorant about fruit trees as the senator claims President Eisenhower is. Kerr said he "was amazed to read" that the President, during his recent tour of the nation's drought area, "mistook a peach tree for an apple tree." "Now that is really an ignorance of fundamentals," Kerr said. "Just think, if Eve hadn't known the difference between an apple and a peach, what a barren world this would be."

HERE is a pleasant little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner of the rectangle and check every one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

Crossword Puzzle
