Annual Fathers Weekend Big Event for Campus

By CAROLYN MADSEN (Capital Journal Correspondent) UNIVERSITY OF OREGON, Eugene (Special)—This weekend is in honor of the University of Oregon Dads. Both Friday and Saturday night the Ducks host UCLA at basketball for the dad's entertainment. Friday night after the game the Barbershop Quartet contest will be conducted in the Student Union Ballroom. All dads are to be registered Saturday for the trophy which is awarded to the dorm and fraternal organization registering the most fathers. Saturday noon a luncheon is planned to be in the Student Union and Carson hall. The speakers for the event will be Dr. John Richards, chancellor of the state system of higher education, Dr. O. Meredith Wilson, University president, Carl Dahl, president of the Oregon Dads club, and Darrel Britton, student body president.

Some of the parents who will be on hand for the weekend are Mr. and Mrs. M. E. Knickerbocker, William H. Hammond, Reuben Boehm, Paul Woodruff, Vera Gilmore, Mr. and Mrs. James Walton, Paul W. Harvey, Jr., Ward Davis, M. T. Madsen, Jr., Ralph Maude, Mr. and Mrs. Willard Day, Mr. and Mrs. Trevor Steele, Mr. and Mrs. George Denton, Sidney Hoffman, and Mr. and Mrs. John Kitzmiller, Dallas.

Amphibians, women's swimming honorary, will present a short demonstration in Gerlinger pool Saturday afternoon for the visiting fathers. Special stunts, and a demonstration on synchronized swimming will be presented. Laura Smith, newly initiated member of Amphibians, will perform in the synchronized swim.

Tuesday afternoon representatives from the various women's living organizations modeled in the student union ballroom. Kwama, the sophomore women's honorary, sponsored the show which featured styles from Kaufman Brothers. Four Salemites, chosen by their organization, were escorted down a ramp by four "big men on campus." The girls were JoAnne Hoover, representing Pi Beta Phi, Sandie Hill, representing Susan Campbell, Jan Hall, representing Hendricks hall, and Pat Deeny, representing Delta Gamma.

Also Tuesday afternoon the university lab theater presented WILLAMETTE university Mothers club is meeting Thursday at 8 p.m. in Chresto cottage. Dr. Cecil Monk of the school biology department is to be speaker on the science program at Willamette. From Chresto the group will go to Collins home to see a demonstration.

Invitations were received Wednesday for the informal reception for which State Senator Boyd R. Overhulse, president of the senate, and Mrs. Overhulse are to entertain on the night of February 27, between 6 and 9 o'clock in the Senator hotel Capitol room.

There may have been bitter winter chill outside, but it was cozy and there was a springtime atmosphere inside for the enjoyable coffee party for which Mrs. Lee Ohmart entertained Wednesday morning at her North 14th street home for legislative women and a few additional friends.

The party honored Mrs. Boyd Overhulse, Madras, wife of the senate president; and Mrs. Pat Dooley, Portland, wife of the speaker of the house.

A profusion of spring flowers added color to the room and a warm blaze burned in the fireplace. Causing much comment were the twin antique brass peragnes on the coffee table near the front window, filled with heather, tiny pink rosebuds, and blue crocuses with a few butterflies fastened here and there among the flowers.

The tea table was set with a pink embossed cloth, its centerpiece at the back an arrangement of pink sweet peas and pink carnations in a white milk glass bowl.

Among those calling at our stop: Mrs. Robert D. Holmes, wife of the governor; Mrs. Robert F. White, wife of Salem's mayor; Mrs. Elmo Smith, Mrs. Charles H.

Even at the risk of being snubbed by fellow Republicans I have to tell this story from the luncheon given for "legislative day" of the Oregon Federation of Republican Women, Tuesday. It's too good and one of those incidents that leaves you wondering just why all the effort and fuss and feathers to put over a program.

As the meeting was pretty well along I mind you, after all the introductions, one elderly visiting lady pulled my sleeve, and in whispers this is what went on: Visitor: "Isn't the gentleman at the end sincere looking? I just

hope all our legislators are like him."

From me: "Yes, he's a nice person, a good legislator — he's a Democrat, you know." (She had been talking about Republicans). Visitor: "A Democrat? What's he doing here?"

From me: "That is Sen. Boyd Overhulse, president of the senate. Didn't you hear the introduction and the nice things they said about him?" Visitor: "Do you mean to tell me the Republicans let them elect a Democratic man president of the Senate?"

Well — I was speechless, puzzled as just what to say next, when, thank heavens, the gavel sounded and we were off on something else to interrupt our conversation. I'm just hoping some federation members brief the lady before she makes her report at home.
