

Supreme Court Puts Pro Football Under Anti-Trust

Baseball May Be Next U.S. Target

Radovich's Suit Must Come to Trial

By WHITNEY SHOEMAKER

WASHINGTON (AP) — The Supreme Court ruling that pro football, in contrast to baseball, is subject to federal antitrust laws raised questions today about other professional sports — and how much longer baseball is likely to remain immune.

Chairman Celler (D-N.Y.) of the House Judiciary Committee said he would push legislation to extend the antitrust statutes to organized baseball.

"They can't make fish of one and fowl of the other," he said.

Sees No Difference
Bert Bell, commissioner of the National Football League, said he couldn't understand the difference either.

Baseball Commissioner Ford Frick declined comment.

The court ruled 6-3 yesterday that the "volume of interstate business involved in organized football places it within the provisions" of antitrust laws.

This, Justice Tom Clark said for the majority, may sound "unrealistic, inconsistent or illogical," in view of previous rulings that major league baseball is exempt.

Clark said the baseball rulings did not apply to any other business. He added, "The orderly way to eliminate error or discrimination, if any there be, is by legislation and not by court decision."

Considered in 1953
And if the football decision seems "inconsistent," the majority said, "it is sufficient to answer, aside from the distinctions between the businesses, that were we considering the question of baseball for the first time upon a clean slate we would have no doubts."

The court last considered baseball in 1953. It referred then to a 1922 ruling in which baseball was termed a sport and thus outside

the scope of antitrust laws. Without commenting on the merits, it briefly and simply noted that Congress had failed to act on a subject through all the intervening years so there was no reason for the court to shift ground.

Since then the high court has held that professional boxing is under antitrust jurisdiction.

Radovich Claims Monopoly
In its latest decision, the court was careful to "express no opinion" as to whether the NFL has actually committed any antitrust violations. It left that to District Court in San Francisco, which now must take up the complaint of William Radovich, former University of Southern California and Detroit Lions star.

Radovich sued the league and its clubs for \$105,000 damages. He charged they attempted to monopolize the sport and blacklisted him when he jumped in 1946 from Detroit to the Los Angeles Dons in the rival All America Conference. The All America has since disbanded.

Federal district and circuit judges in San Francisco dismissed his suit. The effect of the Supreme Court decision was to order it to trial.

Molalla Faces Third-Placers On WVL Slate

Sandy Could Be Tough; Dallas at Central On Tuesday

WILLAMETTE VALLEY LEAGUE

Team	W	L	Pct.
Molalla	4	2	.667
Dallas	4	2	.667
Central	4	2	.667
Estacada	3	3	.500
Canby	2	4	.333

Games Tuesday: Estacada at Canby, Dallas at Central, Sandy at Molalla. Game Wednesday: Dallas at Central at Estacada, Dallas at Sandy.

Molalla, which took over undisputed possession of first place in the Willamette Valley League, faces a rough test Tuesday night when Sandy travels to the leader's home grounds.

In other games, second place Dallas travels to Central and Estacada will play Canby on the Canby floor.

Sandy has improved considerably after a poor start and now is tied for third with Central, each having records of four wins and four losses.

Molalla, however, will enter the game as the favorite, especially after having bounced Dallas out of a first place tie Friday night.

The Dallas Dragons have an even tougher job ahead of them, since they have to play on the Central floor. Central has been hot and cold during league play, and has been the only team to defeat Molalla thus far.

Estacada will be favored to dump Canby, for the Cougars haven't won a WVL game all season.

Only one more round of games will remain after Tuesday's action, and if the Molalla Indians can get by Sandy they will have the league title all but wrapped up.

In the final game, Molalla faces Canby, and it would take some major work by Canby to halt the Indians.

KLAMATH WINS PLAYOFF GRANTS PASS — Klamath Falls won a playoff here to represent Southern Oregon in the state AAU basketball tournament next weekend at Hermiston.

Palmer Earns Prize in Rich Houston Open

HOUSTON, Tex. (AP) — Arnold Palmer moved on to Baton Rouge today after beating par on a tough back nine to win \$7,500 in top money in the Houston Open.

The 27-year-old Latrobe, Pa., professional picked up the winter tour's richest check yesterday with a final 69 for a 72-hole PGA that beat Doug Ford, former PGA champion, by one stroke.

Ford's \$4,000 boosted his 1957 prize money to \$12,585.83. Palmer's new championship jumped him from 11th place to runner-up with \$9,762.50.

The final round on the Memorial Park course turned out to be a back nine battle among Palmer, Ford, Jimmy Demaret, Gene Bone — the Louisville unknown who led after 36 and 54 holes, and Bob Harris, who had posted a third-round 65.

Harris, former national collegiate champion from Winnetka, Ill., began the final nine on the muddy course with a 1-stroke advantage over Bone, Palmer and Demaret, and had a 2-stroke lead over Ford.

The first three holes on the back nine settled it. Palmer and Ford had three pars, Bone and Harris bogged two of the three holes, Demaret all three. This left Palmer one stroke ahead of Ford, two ahead of Bone and Harris, and three in front of Demaret.

Harris finished at 73 for a 281 that was good for \$2,500. Demaret collected \$2,000 for a 282, while Bone, with a final round 78, tied at 284 with Mike Souchak, the 1955 champion here. Each won \$1,600.

Crusaders to Seek To Upset Sherwood

Bowmen Hoping To Get Lead By Win

Salem Academy's Crusaders, who have proved strong enough to hold down fourth place in the Yawama League basketball action, could be in the role of spoilers tonight when they face the Sherwood Bowmen in a game at the Crusaders' West Salem gym.

Saturday night, Sherwood got back into a tie for first place in the conference but that lofty position could be lost if Salem Academy can continue its current spree.

Other games slated for tonight send Sheridan to Banks, Willamina to Amity and Yamhill to Philomath.

Dayton Idle
A Sherwood victory over the Crusaders tonight would give the Crusaders at least temporary unopposed possession of first place in Yawama play. Dayton, tied with the Bowmen, is idle, while Willamina is now a half game behind the two leaders.

Sherwood and Dayton have records of 12 wins and two losses,

while Willamina is 11-12. Willamina is expected to pull even with Dayton by beating Amity, but this game, too, could end in an upset. Amity, despite its poor record of only three wins against ten losses, has proved difficult to subdue on its own floor.

Underdog at Home
Yamhill has proved stubborn of late and will be a slight favorite to trim Philomath, but in this game, too, the win must come on the underdogs' floor. Philomath lost its last game, 57-44, to Willamina, while Yamhill was clubbing Banks, 59-26, Saturday.

Sheridan is a top-heavy favorite to hand the Banks Braves their 14th straight loss in conference play. Sheridan currently is fifth with a record of seven wins and six losses, and will be trying to regain some prestige lost in last Saturday's defeat by Salem Academy, 82-45.

In Pro Football Court Ruling

SHERMAN OAKS, Calif.—Bill Radovich, former professional football player involved in Monday's supreme court ruling which ruled that pro football is subject to Federal antitrust laws, is pictured in his office here. Radovich had appealed lower court rulings which threw out his suit for \$105,000 damages from the National Football League. He had charged the NFL blacklisted him because he once left its Detroit Lions to play in a rival football league. (AP Wirephoto)

Capital Conference Has 2 Games to Go

Cascade at Serra, Woodburn at Gervais

With only two rounds of play left, Cascade and Woodburn continue to dominate the Capital Conference and if games run true to form they will finish league basketball play still in a first place tie.

Cascade faces its toughest hurdle tonight when the Serra Sabers of Salem invade the Cougar gymnasium, while Woodburn travels to Gervais.

Stacyton will be at Silverton and Mt. Angel at North Marion in other league games on tonight's schedule.

Serra Could Pull Upset
Cascade raced back into a first place tie by beating Woodburn last Friday, 56-53. Each team now has a season mark of ten wins and two losses.

Serra, now cruising along in fourth place with a 6-6 record, could provide the league with its biggest upset since North Marion humbled the Cougars earlier in the season. The Sabers, now, will be hoping to alone get last Friday's upset loss to North Marion.

Cascade will be favored, and will have the advantage of its home court.

Woodburn should get by Gervais since its overall strength has proved too much for every other team in the league except Cascade. Both of the Bulldogs' league defeats were to Cascade.

North Marion can get closer to an even 500 mark in conference play with a victory over winless Mt. Angel. North Marion, definitely of the hot and cold type this season, has a league record of five wins and seven losses.

Stacyton Should Win
Stacyton's Eagles, third with an 8-4 mark, should get past Silverton, although the Silver Eagles have had some good moments this year and may be having some more tonight.

Friday's games will send Cascade to Mt. Angel, Gervais to Serra, Silverton to Woodburn and North Marion at Stacyton.

Cascade and Woodburn will be favorites in their Friday games as well, barring an upset, will end conference play with identical records of 12 wins and two losses.

Steelheading is on the way out in most streams—and with the heavy rains, it does not appear that it will finish in a blaze of steelies. Those of our friends who are really enamored of the sport tell us that this season has been very good to them, despite the vagaries of the weather.

Tar Heel Lead Up To 120

Kansas Holds to 2nd, Kentucky To 3rd

The Associated Press

The rich get richer, they say, and North Carolina's talented basketball team today more than doubled its first-place margin of a week ago in the Associated Press basketball poll.

The undefeated Tar Heels (22-0 and end not in sight) compiled 757 votes from the nation's sport writers and sportscasters to 637 for second-place Kansas. Just a week ago, they had a slim 50-point margin.

Then Wilt (The Still) Chamberlain and company took a 56-54 beating from Oklahoma A&M last Thursday, that undoubtedly hurt the Jayhawks. However, they did hold down second place by a comfortable margin over Kentucky, which compiled 508 votes.

SMU Jumps
The voting included games of last Saturday and was tabulated on the usual basis of 10 points for first place, 9 for second and so on.

There were several minor changes in the lineup below the Big Three. Southern Methodist, which captured its third straight Southwest Conference championship, jumped from sixth to fourth.

UCLA climbed from eighth to sixth, while Seattle dropped from fourth to fifth and Bradley slipped from fifth to seventh. Iowa State was the only club to tumble right out of the top 10. The Cyclones tumbled to 16th as a result of losing to Kansas State Saturday night.

The top 10, with first-place votes in parentheses:
1. North Carolina (61) 757
2. Kansas (49) 637
3. Kentucky 508
4. Southern Methodist 424
5. Seattle (6) 393
6. UCLA (1) 257
7. Bradley 153
8. Louisville (1) 141
9. Vanderbilt 134
10. Indiana 118

The second 10, in order:
West Virginia, Kansas State, Wake Forest, St. Louis, Idaho State, Iowa State, Oklahoma A&M, Oklahoma City, Memphis State and Mississippi State.

GAVILAN VS. MARTINEZ
NEWARK, N.J. (UPI)—Former champion Ed "The Boss" and lightweight contender Vince Martinez are expected to draw a crowd of 9,000 and a gate of \$30,000 on Tuesday night in their non-televized 10-round bout at the Newark Armory.

BEAVERS SIGN TWO
PORTLAND (UPI)—Pitcher Bob Alexander and Catcher Danny Baich agreed to contract terms with the Portland Beavers yesterday bringing to six the number signed up for the 1957 PCL season.

If Bums Move, Giants to Talk About Leaving

PHOENIX (AP) — The president of the New York Giants said Monday his club would have to talk over a possible move if the Dodgers, which he said would like to stay in New York.

But, Horace Stoneham emphasized that, "we would like to stay in New York."

Brooklyn's departure would not necessarily mean a Giant move, he declared, but it would cause consideration of offers made to the club by San Francisco, Minneapolis and a Southwestern city.

Stoneham admitted that talks had been held with the New York Yankees for use of their stadium after the Giants' Polo Grounds lease runs out in 1961. But he said there was no discussion of terms.
