By Pat Campbell

Hopes and excitement ran high at North Salem this week as the students began making plans for a trip to Eugene to the state basketball tournament. North has one game to play taking on Sweet Home tonight at Sweet Home while South must play both Albany and Lebanon during the weekend. ## School Activities

News, Views of Salem Students

Do you have your eye on the teaching profession? Have you ever wished that you could be the instructor instead of the instructed? Sacred Heart students with these ambitions will have a chance to see just what it's like to be the teacher. The National Honor Society has designated next week as a time to promote interest in the teaching vocation. Friday, March 7, has been proclaimed student-teacher day. Each Honor Society member and other students Nancie Evans, Sue Gooding, Judy Nielson, and Kathryn Burke will take over one class.

**Display Prepared**  
A display of pamphlets and a bulletin board on the teaching theme is being prepared by Janet Larson, Connie Carey, Gloria Koch and Dorothy Rupp.

There have been many beginnings at S.H.A. this year, and the intra-mural sports program was one of the most important ones. Girls interested in athletics are being given still another goal award which to work. A letter club has been formed and will be open only to those girls who make the 1st team in three of the four seasons; volleyball, basketball, tennis, or softball. Joann Gray, captain of the junior basketball team, explained the club to the students Tuesday.

**Playoffs Outlined**  
Also at the assembly Tuesday, Margie O'Connor, Janet McCarty, and Dorothy Tharalson outlined plans for the basketball playoffs. Because of the newness of the sport, and conflicting activities, the senior and freshman teams will not be able to play in the tournament. The freshmen will join the sophomore rooting section while the seniors will support the junior team in the cup tournament.

On March 11, two all-star teams are to be selected and will begin play-offs. The teams will be balanced according to skill and may choose their own cheerleaders, outstanding basketball players will be named, and the cup and sportsmanship banner awarded.

As graduation day draws nearer, the seniors are busy making necessary preparations for the big event. Measurements were taken Tuesday for the caps and gowns, which will be white this year instead of the navy blue worn in former years. Janet Larson, Joanne Rak, and Brenda Davison are in charge of the fittings, the type and engraving of commencement announcements is also being considered by the girls.

A Mardi Gras theme heralds the student council home made candy sale to take place next Tuesday, March 5. Council members Janice Ebner, Jackie Doerflinger, and Diana Braulick compose the planning committee for the project. Fundraising, and other "goodies" will be on sale in the main hall during the noon-hour and after school.

## Leslie Jr. High

Girls had a chance to take the initiative and ask that cut-sh-sh-bee to dance at the sock-buff party on Thursday noon.

**Staff Visits Legislature**  
Eleven members of the Leslie Broadcaster staff visited the Oregon legislature all day Thursday to observe the operation of both the House of Representatives and the Senate. "Except for one TV appearance last year, Dean makes his first public bow without ex-partner Jerry Lewis when he opens in the Sands Hotel."

## Work Becomes Enjoyable
