

Hoover About Through With His Big Work

NEW YORK (UP) — Herbert Hoover, 82-year-old former president, who has spent almost all his life working toward government reorganization, said Sunday "I just about think I've done my contribution."

Mr. Hoover did not use the word retirement. He still has several projects to keep him occupied, including a book he is writing about one of his heroes—Democratic World War I President Woodrow Wilson.

The Republican former president said, however, he had almost completed his contribution to the cause of government reorganization to which he has dedicated more than 40 years of his public career.

Mr. Hoover appeared on a filmed (CBS) television interview, "A Visit With Herbert Hoover," with commentator Lowell Thomas. The interview, which took place in the former chief executive's Waldorf-Astoria Towers suite, started with a filmed tribute to Mr. Hoover by President Eisenhower.

Work to Be Stepped Up At Coos Coal Project
PORTLAND (UP) — Another exploration tunnel has been completed at the Eden Ridge coal field in Coos County, and Pacific Power & Light Co. says work will be stepped up as the weather improves.

Additional mapping and sampling will be done to determine if the area's coal can be used to feed a projected hydroelectric and steam power plant that would be used when water levels drop.

Dental Session Opens
PORTLAND (UP) — The annual meeting of the Oregon State Dental Assn. opened here Monday with more than 900 dentists attending.

The conference will close Wednesday.

THOSE REDS ARE TRICKY
BERLIN (UP) — Neues Deutschland, the East German Communist party paper, said today the Soviet Union has developed a vacuum cleaner that also washes clothes. It didn't say how it worked.

Teachers Seek Tax Deduction For Summer School Expenses

By JAMES B. SIBBISON
WASHINGTON (UP) — Congress is being asked to give the million schoolteachers in this country a better break on their income tax. Some congressmen — like Rep. Jenkins (R-Ohio) of the tax-writing House Ways and Means Committee — are responding sympathetically.

Teachers want to deduct expenses of going to summer school to improve their professional ability.

Jenkins has introduced a bill to permit it.

An indignant Chicago teacher, Mrs. Adam Mauer, wrote Rep. O'Hara (D-Ill.): "Teachers are bitter over businessmen being able to entertain customers in the Stork Club and deduct the fun."

At the same time, she said, "we sit in stuffy lecture halls absorbing Plato, psychology and human dynamics, ask for the purpose of increasing our income, and can't deduct the tuition."

"Not only is not fair, it is an indictment of our American value system."

A Kiss for Her New Daddy

RIVERSIDE, Calif.—The first thing Charlotte Mildred Marley, 9-year-old daughter of actress Linda Darnell, did after her mother and airlines pilot Merle Robertson were married at the Old Mission Inn here yesterday was to plant a big kiss on the cheek of her new daddy. It was the third marriage for the 33-year-old actress and the first for Robertson, who is 39. They plan a honeymoon in New Orleans and South America. (AP Wirephoto)

Linda Darnell Marries Pilot

HOLLYWOOD (UP) — Newlywed Linda Darnell says that her honeymoon will have to wait — at least until after she has finished work on a television show.

The actress and airline pilot Merle Roy (Robbie) Robertson were married yesterday in the Flier's Chapel of the Mission Inn in Riverside.

Miss Darnell, 33, was previously wed to motion picture cameraman Pevell Marley and brewery executive Philip Liebann. Robertson, 39, was a bachelor.

NEW YORK (UP) — Gen. Douglas MacArthur is reported in "perfect condition" after a month-long bout with a virus condition.

Maj. Gen. Courtney Whitney, MacArthur's top aide, said the retired five-star general had recovered from the virus condition that had bothered him since his 77th birthday Jan. 26.

Whitney said he and MacArthur, now board chairman of Remington Rand, had made an out-of-town trip Friday.

Senate Probe to Air Dozen Cases as Bad as Portland's

WASHINGTON (UP) — Sen. Mundt (R-SD) says a special Senate committee investigating racketeering in labor and industry has "a dozen cases as bad as" a situation it is probing in Portland, Ore.

Mundt is a member of the committee which heard testimony last week concerning alleged alliances between officials of the powerful Teamsters Union and underworld elements.

The hearing resumes tomorrow. Committee Chairman McClellan (D-Ark) said James P. Elkins, a Portland gambler, will be recalled then for questioning about his prior allegations that some Teamsters Union officials and racketeers tried to grab control of gambling activities and after-hours drinking clubs in Portland.

Robert F. Kennedy, committee counsel, said Elkins—who has been a "friendly" witness—will testify that tribute was collected from such activities, and will tell who got that money.

Kennedy said the committee will call William M. Langley, Multnomah County (Portland) district attorney now under indictment, and Clyde C. Crosby, organizer for the teamsters in Oregon, Wednesday.

He said Crosby will be questioned about his connections as a member of the Portland City Exposition-Recreation Commission. It has been charged in testimony that Crosby was allied with Portland underworld figures in efforts to influence selection of a site for an eight-million-dollar coliseum.

William John Willis, son of Mr. and Mrs. Joseph Willis Jr., The Dalles, died in a Portland hospital about seven hours after the bullet struck him in the head.

State police said they had not determined who fired the bullet. The area often is used by weekenders for informal shooting at bottles and cans.

Two teen-age boys, Monty Hill and Frederick Eugene Smith, said they saw young Willis stagger then fall. Police were called.

Japan Plane Falls in Sea

TOTTORI, Japan (UP) — A Japanese air force twin engine transport carrying 17 persons — including two Americans — crashed into the Japan Sea at Miho Air Base Monday. A Japanese defense spokesman said all 17 aboard are missing and there is little hope any would be found alive.

An American rescue boat, Japanese coast guard vessels and fishing boats were combing the area in search of possible survivors.

Police said the plane apparently lost speed as it was approaching over the Japan Sea for a landing and crashed 400 yards from shore.
