How long will the present legislative session last?

This is the \$64 question heard on all sides of the state capitol these days. Predictions range from April 1 to May 17 or later.

The longest legislative session in the history of Oregon was in 1951 when adjournment did not come until the 116th day.

Chairman Clarence Barton of the House Tax Colomittee has announced that his committee will not begin formulation of its tax program until about April 1 til will likely take from 10 days to two weeks for this committee to complete its program.

moved, vessels up to 10,000 tons will be able to sail the entire length of the canal. But Egyptian officials have made it clear this does not apply to Israeli shipping, which was barred even before the October-November fighting. Egypt maintains it is still technically at war with Israel, despite the 1949 Palestine armistice.

Meanwhile, eight small vessels, all under 500 tons, transited the canal yesterday. This was the first large movement of shipping since the waterway was blocked more than four months ago.

With the end apparently in view to physical barriers in the canal, the West squared off for negotiations with President Nasser over
