

British Actress Joan Collins Table-Hops Way Through Life

By ALINE MOSBY
United Press Hollywood Writer
HOLLYWOOD (UP)—New star Joan Collins is one of the most dated girls in town, but this busy state of affairs worries the English beauty because "people get the impression I'm always having a ball."

From the gossip columns it sounds as if the colorful Joan does. Joan, Natalie Wood and Rita Moreno are the "campus queens" in this college of Hollywood, or rather, the Lana Turner, Ava Gardner and Rita Hayworth of the younger generation.

"When I'm not working, I date every night," said Joan. "To sit

Lana Not About To Marry Again

HOLLYWOOD (UP)—Lana Turner, just back from a film from Uruguay, says: "Getting married is the last thing in my mind right now."

Her comment made upon her arrival yesterday, came in reply to a New York newspaper's story the actress planned to marry a wealthy Brazilian, Luiz Santes Jacinto.

"Isn't that the very end?" said Miss Turner. "Here I am not even divorced."

She and actor Lex Barker separated four weeks ago.

"I've known this man for 11 years." "All my Brazilian friends travel in a group. We lunch together, dine together. Luiz is a very serious young man with a business. He's never even been to the United States."

Navy to Try Again to Set Speed Mark

PATUXENT RIVER, Md. (UP)—The Navy will make another stab "in just a few days" at cracking the transcontinental jet speed record.

That was the word from Cmdr. Dale W. Cox Jr., pilot of the A3D-1 Skywarrior attack bomber which yesterday abandoned its try to beat the coast-to-coast jet record of 3 hours 44 minutes and 53.98 seconds.

The bomber took off from Los Angeles International Airport for New York.

Cox told newsmen the three-man crew decided to abandon the record run over Chanute Air Force Base, Ill., after falling five minutes behind their flight plan.

Miners Conscripted

OVIEDO, Spain (UP)—More than 1,000 coal miners were conscripted into the army Monday night to break a slowdown strike for higher pay.

The militarization of the Maria Luisa mine, a few miles from this capital of Spain's coal mining region, came after 15 days of labor defiance that had cut production from 1,500 tons daily to 500.

Charge Transient In 'Jungle' Deaths

SPOKANE (UP)—A transient railroad worker was charged with second degree murder Monday in the fatal shooting of two Peoria, Ill. men in a "hobo jungle" here March 2.

The charge was filed against John E. Weathersby, 36, San Jose, Calif., who was arrested last Friday in Klamath Falls, Ore. He was booked there on a vagrancy charge.

Laugh Through Life

"Life is a ball and one should laugh one's way through it," she reflected. "But there really are very few attractive men in Hollywood. There was a cocktail party the other night and one man was invited by four girls!"

"I like a man with a sense of humor and most young men take themselves so seriously," she continued. "I like men in show business. And a man who is masculine! So few men really are."

"A man should dominate the woman. Not push her around, but he should wear the pants. American women are too aggressive and that's not feminine."
