## Dellinger Finds Pace Slow in 4:14.3 Mile

### Benson Edged in Hurdles; Rain Wets All

By A. C. JONES  
Slow pace-setting by teammates may have cost Bill Dellinger a chance to break his record in the Invitational Mile at the Willamette Relays Saturday afternoon.

While the productive rain clouds didn't help any, the biggest factor in the slow 4:14.3 time was the lagging schedule for the first two laps.

This feature of the long afternoon found Jim Grelle stepping out in 65, then Buck Knight, also of University of Oregon, led the second lap most of the way, in 65, until Dellinger, never one to push himself, giving him a 2:10 half mile.

#### 8 Seconds Too Slow

This was eight seconds slower than the intended 2:02, according to Bill Bowerman, Oregon coach, and that spoiled L. Dellinger's chance to beat the 4:10 of last year.

Third lap was in 62 and fourth in 62.3, both led by Dellinger, American record holder in the 5000 meters who had hoped to run about 4:05 Saturday. He finished 50 yards ahead of Mark Robbins of Oregon. Jim Bailey, Oregon ace who pulled out earlier in the week, wasn't in top condition yet and ran 60 yards of the sprint medley, won by Washington in record time.

#### Benson Edged at Tape

Another sentimental setback was in the Invitational high hurdles. Dean Benson, 10 months out of Willamette, hit most of the last seven hurdles and was edged by a yard by Doug Basham of Oregon in 15.3.

Benson, graduate student at San Jose State, led over the 10th barrier but Basham had the kick needed. Benson was trying for his third straight Invitational victory. In which he holds the record of 14.6.

The Invitational 100-yard dash proved again that Oregon's Steve Anderson, gifted sophomore, is a pressure runner. He was a surprise winner last year as a freshman in 8.9, and this year upset Roy Duncan of Seattle Pacific to win in 10.1.

#### Normal Places

Anderson led all the way and won by about three yards. Jim Norval, former North Salem racer and Oregon freshman, was fourth.

Larry Pulford, Washington sophomore, now holds both novice and senior shot put records. Last year he did 52-2½ as a sophomore, this year 51-9 for another record in the senior group.

Pulford, not satisfied, also set a senior discus record of 151-8.

#### Edstrom Wins Pair

Other double winners were Anderson, who took the broad jump with 22-11 to upset Martin Pedigo, Oregon's favored entry; and Dave Edstrom, Oregon freshman from Sherwood, won the novice high jump with 5-8, and tied the novice high hurdles mark of 15.7.

Fortune Gordien, world discus record holder with 194.6, threw 176 in a demonstration but also had one about another dozen feet when he fouled.

## PIN PATTERN

By FRANK WALTON  
Capital Journal Sports Writer

The 1956 American Bowling Congress annual report and tournament record book arrived recently, and a quick scanning of the 270-page pocket-book sized volume proved interesting.

Bowling's booming growth is clearly shown by a comparison of the number of registered teams over the past 20 years. In 1935-36 there were 32,411 bowling teams registered with ABC. By 1955-56 the figure had reached the 100,000 mark. And since then it has multiplied over four times. 1955-56 figures were 438,424 bowling teams operating in 47,252 organized leagues. And the 438,424 represent an increase over the previous year of 42,000 teams.

Oregon boasted 3875 teams last year. Manpowerwise, this is but one-tenth of the teams of the huge population centers. New York state, for example, has 53,740; teams; Ohio-49,895; Illinois-49,794; and Michigan-44,742.

#### Glott One of 159

Looking at the league-sanctioned 300-299-296 games, one could well expect most of the scores to come from this heavy concentration of bowling in the Midwest and east. Of the 270 perfect games thrown in '56, Alois Hakenwerth of Klamath Falls, Oregon was the Beaver State's sole entry.

In the 299 game class, Salem's John T. Glott, J's Drive Inn proprietor, and Lew Bellissimo, University of Oregon bowling instructor, were the two Oregon entrants out of 153 one-pin-shy games. No Oregonian scored 288 in sanctioned play of the 107 reported to the ABC.

And interesting to note, the odds seem to favor the 300 game rather than the 299 or 298 game as a bowler strings 11 in a row and heaves that crucial 12th ball. Each year since 1923-24, 300 games have exceeded 299 games, and 299 games have topped 298. Either the bowler

There were three records in the college division: In the senior shot put, senior discus, both by Pulford; the sprint medley, by Washington in 2:29.3; and a tie in the novice high hurdles, by Edstrom.
