# SYMBOL

Legend has it that, long ago, the dogwood came into bloom on Calvary and that, afterwards, a cross was implanted into the flower itself, to remain for all time. You can see it if you look closely, rust brown against the white of each individual blossom.

Many of us carry crosses, faint like the dogwood's emblem but with us, nevertheless. Somehow, in this Lenten season, we become particularly conscious of them and of our need for help—a certain kind of help, that can be found only through the things we learn in Church.

The Church doesn't pretend to banish our cares and woes. But, its teachings realistically consider the experiences of life itself. No matter what our personal cross may be, we seem able to bear its burden with more strength.

Lent is a wonderful time in which to begin making church-going a regular part of your life—if you haven't already.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
