

\$69 MILLION IN 1957

Washington Heads Into Record Debt

By LEROY HITTLE
OLYMPIA (AP) — Washington State appears to be headed deeper into debt than ever before in its history.

Big Deficit Looms
Budget experts say the general fund could end up with a 69 million dollar deficit June 30, 1957, the end of the 1957-59 fiscal period.

50 Limousines Built for U.S. Auto Company

DETROIT (AP) — Chrysler Corp. said Saturday it is having 50 of the "world's finest and biggest limousines" hand-built in Italy to Chrysler styling and engineering specifications.

Spending Increased
The legislators authorized state agencies to increase their spending programs, but failed to raise taxes to pay the added cost.

As a result, the key general fund has been in debt since February of 1950. It is 22 million dollars in the red at present and fiscal experts estimate it will be 37 million in the hole by June 30 when the 1955-57 fiscal period ends.

Psychologist Claims Method Can Tell Vote

BERKELEY, Calif. (AP) — A University of California psychologist reported Saturday he has evolved a method of socio-economic sampling which will predict how a community will vote.

Any large urban area, he says, is made up of cultural divisions which fall into about eight different types. Each of these divisions has three characteristics which he calls family life, assimilation and socio-economic independence.

Invalid Victim Of Rainier Fire

RAINIER, Ore. (AP) — An overheated oil stove touched off a fire that killed Mrs. Mamie Robbins, a 66-year-old invalid, in her home near here Sunday.

Checked Method
Dr. Tryon said he checked the method against the 1940 presidential election returns in the San Francisco Bay area and found they agreed well with the vote for Democratic Franklin D. Roosevelt and Republican Wendell Willkie.

OCEAN LEVELS RISING
Heat Control Said More Vital To Survival Than Atom Energy

SANTA MONICA, Calif. (AP) — A noted physicist says studies of temperature control ultimately will be more important to the survival of man than atomic energy.

creating a "greenhouse" effect over the earth. Should the oceans rise by 40 feet, their waters would cover parts of New York City, San Francisco, much of Florida, sections of Tokyo and many other coastal cities.

SEATTLE SALESMAN
OREGON MAN INSTALLED

SEATTLE (AP) — The following notice, in a childish scrawl, appeared on the postoffice bulletin board at suburban Mercer Island: "Purchased most puppies free to good homes. Better hurry. Only seven left!"

WEISER, Idaho (AP) — The Northwest Assn. of the International Assn. of Odd Fellows Sunday installed a Lake Grove, Ore., man, Harley A. Looney, as president.
