DEAR DOROTHY DIX: I sew very well, and am anxious to put y talent to work for my family. Four growing children have so any needs that it's impossible to keep up with them on one income.

I have answered several ads offering work to be done at home, but they always turn out to be a proposition whereby I send money in return for material or information that's absolutely useless. Can you suggest some way to deal effectively with this sort of dishonest advertising, and have you any ideas how I can earn extra money?—Sophia.
