

Soviet-Hater Wins Finnish Party's Helm

HELSINKI, Finland — Vaino Tanner, probably the Finnish leader most hated by Soviet chiefs, was elected chairman of the Finnish Socialist Party Wednesday.

The Socialists are Finland's second largest political party and govern the nation in a coalition with the Agrarians.

The comeback of the 76-year-old veteran statesman to a top spot in Finnish politics is a sensation of first magnitude in this country, which is tied to the Soviet Union in a pact of friendship and mutual assistance.

President of ANPA Critical Of Sec. Dulles

NEW YORK — The president of the American Newspaper Publishers Assn., commenting on Secretary of State Dulles' qualified offer to permit a limited number of American newsmen to visit Red China, said Wednesday "there is no such thing as limiting the right to know."

William Dwight, publisher of The Holyoke, Mass., Transcript-Telegram, told a general session of the ANPA convention: "The secretary of state Tuesday invited the American newspaper-gathering community to devise a way to send a limited number of reporters to Communist China without breaking down the general ban on travel to that country."

Governors to Pass Up Meet
