

Need for New YWCA Pool Told by Local Workers

The proposed new swimming pool for the YWCA is the answer to "family night" swimmers who like to do more than get wet.

Gus Moore, general secretary of the YWCA states the scheduled family nights at the YM pool are always crowded, and the facilities are used to capacity at all times.

"There is a definite need for another indoor pool in the Salem area," Mr. Moore says.

The YWCA swimming facilities are the only indoor accommodations for the entire Salem metropolitan area of 90,000, including 14,000 school children.

The total use of the YMCA pool in 1956 was 79,191 times, and during the month of March, 1957, it was used 8,277 times.

At Garden Club

DAYTON (Special) — The Dayton Garden Club met with Mrs. Gertrude Goodrich on Monday, with Mrs. J. A. McFarlane as co-hostess.

It was announced that the club had won first prize on its entry at the Newberg Men's Garden Club show recently. Mrs. Van Lydegraf and Mrs. E. S. Filer were in charge of the entry which followed the old fashioned garden theme.

Roll call was answered by a "favorite vegetable." Mrs. Goodrich selected a number of vegetables and gave her favorite ways of preparing them for the table. The club plans to plant petunias in the park again and also plant the flowers boxes at the grade school.

There was a plant exchange, and refreshments were served by the hostesses.

Georgia Judge Is Acquitted of Topsy Charge

ATLANTA (AP)—Chief Justice W. H. Duckworth of the Georgia Supreme Court has been acquitted of drunken driving charges but fined \$50 as a result of a traffic accident.

The 62-year-old jurist was fined in City Traffic Court yesterday on a charge of failing to remain in a proper traffic lane. His auto struck two other vehicles on Peachtree Road late Tuesday night.

He was booked on charges of driving under the influence of intoxicants, drunk on the street and failing to remain in the proper lane.

Duckworth denied he was intoxicated. Of the accidents, he said he deliberately drove into one auto when his accelerator jammed and he was unable to control it. He said he had no knowledge of striking the second car.

"I was stunned when this thing hit me," he said, referring to a nose injured he suffered in the accident.

Judge Frank White noted that Duckworth "is a man of integrity and high position" and said he would take the jurist's word that he was not drinking. He added that striking one auto in such a situation might have been a matter of judgment. But, he added, "I can't go along with running into that second car."

Duckworth has been on Georgia's highest court since 1938.

Dollars to Sell For 89 Cents

GRIGGSVILLE, Ill. (AP)—Dollar bills—some 25,000—will be for sale at 89 cents each at the Western Illinois Fair at Griggsville one hour daily for five days starting June 30.

There will be no limit on the number of times a customer may buy a buck and make 11 cents. But he can buy only one at a time. If he wants more he must return to the end of the line.

Fair officials in Griggsville, a town of about 1,200, explained the only reason for the sale is to prove there will be at least one genuine bargain offered the public in 1957.

Leo Durocher, major league baseball manager, is of French extraction and started his baseball career in the Catholic Junior League in West Springfield, Mass.

Cost of Living Hits New High

Profane Bird Left, Marital Bliss Ceased

MIAMI, Fla. (AP)—Marital bliss literally flew out the window for Mr. and Mrs. Chastain Nolan when their parakeet left.

Mrs. Nolan, 27, and the mother of three, told Constable Thelma Harrison that her husband taught the bird to say vulgar words at her.

She let the bird go and Nolan retorted by storming out, taking along most of his wife's clothes.

Nolan returned for a final stroke of revenge, she told the constable, yanking out the telephone and removing locks from the doors.

Frequently taking journeys on his rail lines in 13 states, President Harry A. DeBatts of the Southern Railway Company carries a notebook for complaints.

Nest Built on Pipe

ST. LOUIS (AP)—A mother robin has built her nest atop a heating pipe inside the lion arena at the St. Louis Zoo.

She sits quietly on her three eggs while trainer Dick McGraw puts the big cats through their paces just 15 feet below, apparently oblivious to their roars and snarls.
