Bank Bill

that the state force closure of stores and other businesses on Saturdays.

"Sure," Pearson said, "the bank employes would like Saturdays off, but so would employes of other types of businesses."

Jordan King

proved to be inaccurate. Sources there said the American consul in the Old City of Jerusalem had crossed into the Israeli-held half of the city Thursday through the Mdnelbaum Gate to request "military reinforcements" to help guard the consulate against possible Jordanian mob attack.

At the same time, several American families from the Jordan-held half of Jerusalem also crossed into Israel. They reported the Old City "deadly quiet" with the population growing restive under the continued martial law and its resulting strict curfew.

Reports circulating in Baghdad that Russian "volunteers" from Moslem areas of the Soviet Union were standing by in Syria ready for action in Jordan were discounted strongly in Washington. Pick 61 Mid-east 2nd Pgh King

Those supporting the bill were Sens. Harry Bovin, Klamath Falls; Phil Brady, Portland; Chapman; Jean Lewis, Portland; Ben Musa, The Dalles; Naterlin, all Democrats; and John D. Hare, Hillsboro, and Rudie Wilhelm, Portland, both Republicans.

House State and Federal Affairs Committee approved a Senate resolution calling for four-year terms for House members. The committee amended the measure so that the four-year terms of state senators would be increased to six years.

SECOND TIME IN 2 DAYS

Court Eliminates Its Okay of Beer License

An order rescinding county approval of application of Darwin and Helen B. Belleisle for the operation of a tavern at 3459 N. River Rd., was signed Friday by the county commissioners.

The application had previously been approved by the court since it had been handled in the customary manner following investigation by the sheriff.

However, petitions, bearing the signatures of many residents of the Keizer area, convinced the court that the community did not desire another beer dispensary.

It was noted that nine persons who had signed the application to permit the Belleisles to operate had asked that their names be withdrawn.

This is the second application to be rescinded in the past two days, the court having withdrawn its sanction for a retail permit to Clyde A. Cook at 4195 Cherry Ave. Thursday.

The petitioners sent a similar letter to the Oregon Liquor Control Commission objecting to the operation of another retail outlet in the Keizer district.

Early Opening of Mountain Pass Roads Scheduled

Three high Cascade mountain pass highways annually closed by snow throughout the winter—the McKenzie Highway, the East and West Diamond Lake Highways and the Mt. Hood Highway between Government Camp and Cooper's Spur—will be open to traffic earlier than usual this year, State Highway Engineer W. C. Williams announced today.

Plowing operations are scheduled to start at both ends of these highways on April 29. All three will be open to traffic on or about May 17.

Normally the McKenzie Highway is open about June 1 and the Diamond Lake highways a week earlier.

A snow pack estimated at only 70 per cent of normal makes the earlier snow removal possible.
