Wolves Hope For at Large NCAA Berth

MONMOUTH (Special)-Coach Bob Livingston's win-happy Oregon College baseball team closes out regular season's play this week with games against Portland State, today, and Portland University, Wednesday and Thursday, but the Wolves

The Wolves are entertaining thoughts of an at-large berth in the District 8 NCAA baseball playoffs. And there's some justification for the merry thoughts.

Livingston's crew, winner of 16 out of 23 contests this sea-son, has the best win-loss record of any small college team in whe state. The NCAA has in past years tendered at large berths to strong small college nines. The Willamette Bearcats represented Oregon in 1955.

'Form' Claims In State Track By BOB ROBINSON

Capital Journal Sports Writer

According to form, it will be Medford all the way and then some. That's the story of the coming state high school track and field meet in a nutshell.

A check of district, subdistrict and other times and marks vailable show that the Black Tornado just has too much class for the rest of the field. The form chart, which was fairly accurate in the recent District 8 A-1 meet, shows that Medford will roll up a total of 84 points.

The chart says Grant of Portland will finish second best with 39 counters and Cottage Grove will be third with 31.

South Salem's Saxons, the District 8 champ, and Grants Pass are figured to pick up 28 points each and tie for fourth place in the meet. The North Salem Vikings, who will have seven men competing in the meet, will get 11 points for 14th place if "form" is accurate.

Tornado Highly Favored in 6 Events

Medford is favored to win six events in the Corvallis affair. Mike Russell heads the 440 list with a district winning time of 50.3. Wally Larson looks tobe the class of the hurdlers ith times of 14.6 in the highs and 19.3 in the lows.

Neil Plumley of the Tornado has the best shot put affort, heave of 57-1134. Jerry Close, the defending state champ, s picked to take the broad jump. He won in District 5 with leap of 22-3.

Medford's 880 yard relay quartet has by far the outstand-ing time for that event. The classy Tornado foursome has halked up a brilliant time of 1:29.7. That's 1.5 seconds under he existing state record.

GB Cottage Grove is favored in three events. Junior Dyrol ¹⁵ Burleson has the top marks in both the mile and the 880 and discus thrower Don Martin looks like the state's best in that all event.

Grant's Jon Abraham has recorded the top sprint times in district competition. Abraham won the Portland Interscho-lastic League title with marks of 10.1 in the 100 and 22.3 in

Grants Pass to Score in Pole Vault

Grants Pass' Phil Paquin is the choice of the pole vault, Hardy Spurgeon of Marshfield is the pick in the javelin and North Bend's John Bloomquist has the top district leap in the high jump.

South Salem's points, according to the form chart, would come from a second place in the broad jump by Dan Moore, a third in the low hurdles by Jack Scott, a Fourth in the 100 by Scott, a fifth in the broad jump by Scott, a sixth by Loren Blaco in the mile, a sixth by Bob Sterett in the 880 and a

third place finish by the Saxon relay team.

North Salem's 11 points would come from a fifth by Dale Drake in the 440, a sixth by Herb Graves in the 220, a fourth by Colin Morse in the pole vault and a fourth place finish in the relay.
