Couples Contend At TeePee Chapman

It was a weekend for making or breaking marriages as 63 couples birdied, bogied, whiffed and divoted their way around 36 holes at the annual Teepee Chapman Golf Tournament held at Kah-Nee-Ta last weekend.

Weatherwise the golfers had only wind and sprinkles to contend with but the most trying aspect was usually the partners. One woman, upset with her husband's performance, was able to make an especially long drive by pretending the golf ball was her husband's head.

Some couples, however, left the course more in love than when they arrived, their partnership reconfirmed by low

gross and net scores.

Mr. and Mrs. John Grimes of Prineville won the A Division with a gross of 141, one over par. John's spectacular chip-in on the last hole gave the happy couple a birdie, causing much hugging and hilarity on the 18th green.

Low net in the A Division was captured by Mr. and Mrs. Oscar Murray of Bend with their 116.

The B Division was dominated by Madras couples. Low gross went to Mr. and Mrs. Paul Middleton who scored 158 while low net belonged to Mr. and Mrs. Bob Victorin for their 117.

In the C Division Mr. and Mrs. Larry Nelson of Portland

earned low gross at 166 and the Schleys' 119 gave them low net.

Winners received clothing and other merchandise from the Kah-Nee-Ta Pro Shop.

Kah-Nee-Ta Golf Pro Jim Wilkinson remarked that the 7th Teepee Chapman was "the best tournament we've ever had." Hosts Zane and Norma Jackson attracted the second largest turnout in the tournament's history, there were no complaints (except intra-marital) and the weather was decent, he noted.

The Warm Springs Lions Club kept couples fed with their hamburger grill, a popular stop between holes.

Timber Hawks To Nest In Bend

The Oakland A's of the American baseball league has assigned a list of players to the Central Oregon baseball team "Timber Hawks." This is a class 'A' farm team from California and will participate in the Northwest League Doug Emmans said.

Hopefully this will expose central Oregon talent as well as fans to professional baseball. This club's direction is on a player development program as there will be some younger players assigned here.

Emmans also said that there will be local tryouts the first week in June. This will be open to all communities throughout the Central Oregon area. In the past it was hard to get boys from this area for tryouts, but with the Timber Hawks moving here will bring in more big league talent scouts.

The teams spirits are high and Emmans is very optimistic of this young team so far. When asked, "As players develop, will they be recruited to the bigger leagues?" Emmans remarked, this is what the farm teams are for and it can work the other

way also, if a player has a slump period he may come down until he can establish himself again.

Emmans remarked that he has some very good talent at the present time, the following are a few.

With Robinson on second base and Ramirez at short stop, it will give the Timber Hawks an excellent double play combination.

Minker is built like the famous Babe Ruth, consequently he was nicknamed "Babe" by the organization. He is a power hitter and will rattle a lot of fences at Genna Stadium. At 6'6" he will be an excellent target for the infielders to throw to.

Hornachek comes from the same high school that graduated Joe "Willie" Namath. He's a versatile infielder - outfielder. Has a good glove and is a strong hitter.

Armstead is extremely fast. A possible lead off hitter. He plays center field and is always a base stealing threat.

A possible lineup with Armstead leading off and Robinson hitting in the 2 hole gives the Timber Hawks an excellent hit

and run combination.

Bart Lally is a very strong defensive catcher. He possesses a rifle throwing arm and will hold potential base stealers at bay.

The combinations of Lally, Ramirez, Robinson and Armstead will give the Timber Hawks a strong middle.

This is a great opportunity for the Central Oregon boys to show their abilities and, who knows, make the big times.

During this year's Timber Hawk home schedule every Thursday will be Senior Citizens and ladies day and half price every Monday.

The league consists of Bend, Eugene, Salem, Boise, Walla Walla, Grays harbor, Bellingham and Victoria. Home schedule for the month of June '78:
