

Timber Hawks Schedule Tryouts

BEND — Anyone wishing to try out for the Bend Timber Hawks Professional Baseball Team should report to Vince Genna Stadium in Bend, Oregon on Tuesday, June 6, 1978 at 10:00 a.m. To ensure all applicants a fair chance in making the team,

try outs will be extended through June 7, June 8, and June 9.

The Northwest League is a very competitive league, therefore, applicants must possess the ability to play professional baseball, and have a career in baseball as a definite goal.

Advancement to the major leagues will be through the Oakland A's organization.

Come prepared — bring your own equipment, a brief resume of your past baseball achievement, and be physically in shape.

H. S. Rodeo At Madras

The rodeo clubs of Madras and Redmond High Schools are working together to put on a jackpot rodeo at the Jefferson county Fairgrounds, June 10-11.

The rodeo is open to only those in good standing with the National High School Rodeo Association.

There will be three performances throughout the two-day event. One will be at 12 noon Saturday, another will be at 6 p.m. Saturday, and the last one will be at noon Sunday.

A dance will follow the Saturday evening performance.

Two buckles will be given to the all-around boy and girl.

The events are: saddle bronc riding, bareback bronc riding, bull riding, barrel racing, team roping, calf roping, goat tying, pole bending, and cow cutting.

Minor League Baseball

The Warm Springs Braves have started out the season with an impressive three wins. The first game was with the Insurance Mart on May 23, which the Braves won 9-3. The second game was with Thrifty Drug on May 25, which the Braves won 22-0. The third was on May 30 with the Warm Springs Chiefs who are coached by Everett Miller. The Braves won 9-3.

The Braves have a very strong starting pitcher in Leroy Allen, Jr. who is backed up by

Joel Craig and Tray Leonard, plus the accurate catching of Lester Tanewasha, Jr. Their batting is average, but their self-confidence and morale is very high.

This Friday, June 2 at 5:30 p.m., they are hosting the Olson's Sluggers here at the Papoose field. Parents are urged to attend and the players will be glad to see you there.

Tygh Valley Rodeo Lots of Fun For All

Held May 20 and 21, the annual Tygh Valley All-Indian Rodeo didn't draw the audience that this yearly event usually does. Compared to the past, the crowd was much smaller this year.

Although the number of spectators was not great, the number of contestants who entered was larger than usual. A total of 237 were entered, and the cowboys and cowgirls came from all over the northwest, Montana, and Canada.

The bucking horses were

provided by the Simnasho Rough Riders of Warm Springs and the bulls came from Sombrero Rodeo Company of Sisters.

Although the bulls proved to be tough (only five obtained qualified rides out of 33 who tried the bulls), the horses proved to be a disappointment. Because they were either too small or just didn't buck, there were a lot of re-rides at this year's rodeo.

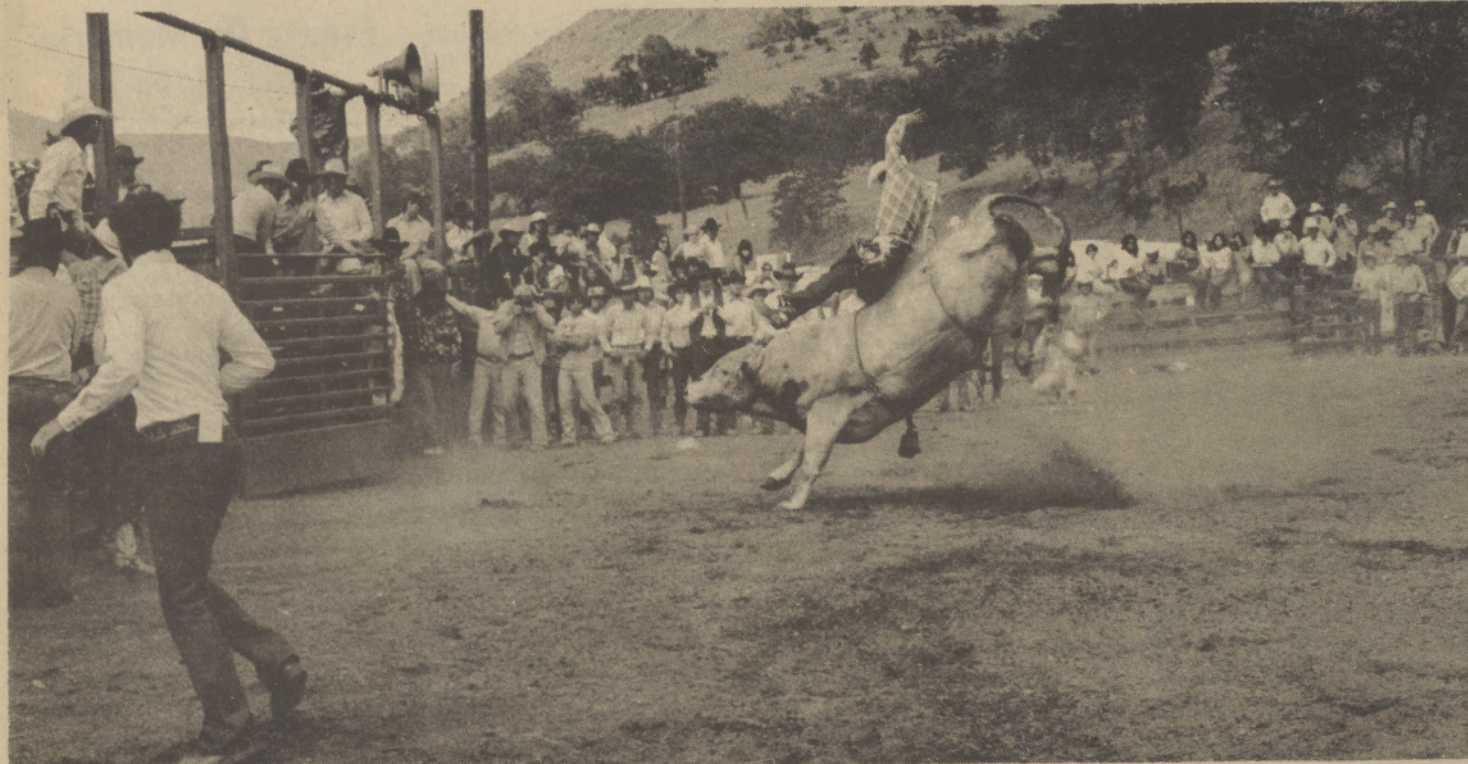

During the bareback riding Saturday (May 20), while on his way to finish in fifth place, Ken

Arnoux of Browning, Montana ended up having four re-ride horses. While in the Saddle Bronc riding, Jerry Sam of Omak, Washington had to be given three re-rides horses. Overall, he finished second in the Saddle Bronc event.

In all fairness, however, despite the fact that most of the horses were real duds, some of the horses bucked well.

The rodeo was sanctioned by Western States Indian Rodeo Association (WSIRA). Following are the final results:
