

Where's Hollywood?

Jackie Estimo had plenty of time before the parade to look at other floats including this one from Portland's (not Warm Springs) Hollywood District.

In Step

The Tribes' float sprouted legs while being repaired.

Dodging raindrops

Gazing at the float and wondering whether to bolt or stick it out, Lucinda Smith tried to keep dry and warm.

Co-Stars

Barely able to contain her excitement, Jackie joined TV Star Rose Marie, whose float was parked next to the Tribes.

Tow good

The tow truck became part of the procession when the "Three Warriors" lost its power.

Now the fun starts

The parade started getting fun for Lucinda when she got the help and undivided attention of Royal Rosarians.

Thanks, fella's

Having been hoisted up to her perch by a Hyster, Lucinda took the lady's way down — with the help of Royal Rosarians.

Did you call that cab?

Two tired ladies waited — and waited — for a taxi back to their motel.
