

Last Breakfast

Alice Florendo cooked one of her last breakfasts at "Alice's Restaurant" Saturday October 28, alternately laughing and crying as she thought about her ten years in business. Inflation and labor hassles are responsible for her decision to untie her apron and close the doors permanently, said Alice. The building is leased from the Tribes but the equipment and furnishings are her own and if no one talks Alice into opening again, she will be looking for buyers.

"Medicine Bag"

Let's start a monthly "Help Somebody Week" with a "Help David Week."

Your cooperation is sought in helping your local, friendly pop-candy-and-snacks machine man, David, in his venture to walk with his shoulders thrown back as though he's carrying no cases of Pepsi-Diet Pepsi-7Up-Orange-Squirt-Root Beer or whatever you use as chasers. And yes,

Herb, even Dr. Pepper' (right, Everett).

This may sound funny, but I'm serious. We all have bad habits that need correcting, so let's help each other tackle them!

Thank You.

David Gonzales

P.S. This letter was written on a medicine bag, thus the title.

You know that Columbus day has just passed in October. There was this guy who taught the Indians to read and speak English. The guys name was Columbus. He told the Indians that he thought he was the first to set foot on the continent because the first time he came, there was no sign of life. The Indians said that they couldn't believe him, Columbus asked why? The Indians said that since he taught them how to read and write they said that an old chief left a lantern that was found with the inscriptions on the bottom 1392, and only God knows how long it was there. Columbus said, "If I take a hundred year's off of my story how much would you take off?" YIKES

Years ago there was this great warrior that always stopped at his friends camp to have some Luk-A-Meen. One day the guy sees the great warrior approaching and he looked tired and hungry. He prepares a bowl of Luk-A-Meen and places it in front of the warrior. The warrior just sat there and looked at the meal. This disturbed the guy so he asks, "Whats wrong, is it too hot, or too cold? The warrior said, "You try it." the guy looks around and said. "There's no spoon." "Ah Ha," replied the warrior. YIKES

If people today think that there are no more new frontiers, just watch a boy ring the bell on the front door on his first date. Things are really tough. YIKES

You know that there are several kinds of "Colas" on the market today. For instance, there's the famous Coca Cola, Royal Crown Cola, Shasta Cola, Pepsi Cola and Milk. "Milk is the Utter Cola." YIKES

There was this guy being interviewed by a couple of guys from the local TV station. One had a tape recorder and the other a TV camera. The guy being interviewed was standing there with a great big hole in the seat of his pants. Their question was, "How do you spell RELIEF?" The guy shows them the hole in the seat of his pants and said, "That's how I spell Relief." YIKES

From the High School Counselor

BY Ron Pinkham

IT'S THE NINTH WEEK of school. This week grades will be turned in by teachers and will be ready for Parent Conference Day November 9, 1978. Each parent is encouraged to come to the schools, and spend ten minutes with each teacher pick up report cards, also, stop by and meet the Indian counselor. Anyone who does not own a car and would like to attend Parent Conference Day please let me know. We'll try to provide transportation with the Community Liaison.

FOR STUDENTS FAILING any classes and wishing to drop the course, here is some advise. Do not drop a course simply because you are failing. There are still nine weeks in which to improve your grade.

It means extra effort must be exerted to achieve success, but don't just give up. Please discuss the matter first with your teacher, then with your counselor.

If you and your teacher feel that no matter how much help is given that you still may fail, then figure out what your alternatives are. Transfer? A different class? Remember, if you drop any class an automatic "F" will be attached to your transcript. Please think twice before dropping a class.

THE HALLOWEEN DANCE held in Warm Springs last Tuesday evening by the Senior High School Indian Club was a complete success, according to police, custodians, administrator and chaperones. I wish to express my thanks to the school district, the students who helped decorate, set up, clean up, and generally worked hard for the event. Also, to all the chaperones who assisted judging and watching the students. Special thanks

to Mike and Rudy Clements and Dan Macy for prize monies for the dance contest. Hopefully, in the future another dance will be held for all to enjoy.

I WANT TO INFORM the parents that I purchased a car for the purpose of visiting parents after school, around supper time. I would like to visit on a very informal basis so you will get to know me as someone who will be of assistance to you. Let's talk about general concerns and specifics related to your child here at Madras Senior High. What programs and activities are available to your child? How can you be involved with his school life? Parents' input and involvement is needed!!

THE UPCOMING UNITED INDIAN EDUCATION CONFERENCE at Portland, November 7, 1978 is on everyone's mind. The high school students who attend are being asked to entertain at the Tuesday evening banquet. Due to limited space, it seems impossible to take more than eleven students. I would ask any Education Committee members who wish to take students to the conference, please do so. Remember the conference is designed to inform, inspire, and motivate students. All students should be able to attend regardless of their current academic status. Hopefully, enrichment trips will stimulate the student to become more successful in school.

I APPRECIATE VERY MUCH the time and effort parents take to visit me at school. It is an indication to me that they care for their child. Yet, I understand parents work and cannot take the time off to visit, so, let's work something out. Whenever you feel the need to talk by phone pleas call 475-6566.

Parent Day

CDS Photo

Parent Conference Day in District 509-J is scheduled on Thursday, November 9, 1978. Parents are invited to school to receive student report cards and confer with teachers. The elementary schools have developed individual schedules for parents and notices are being sent home with students. The Junior and Senior High Schools are open for parents between 10:00 a.m. and 6:00 p.m. All school will be open on Thursday; Classes for students are cancelled.

COCC Indian Program Has New Head

According to Dr. George Zahl, Dean of Student Personnel Services at Central Oregon Community College, Linda Brown has been named to the Native American program at COCC.

Ms. Brown will be attending the November 9 education meet-

ing at Kah-Nee-Ta. In a phone interview, she said she is anxious to meet personally with parents, students, and tribal education leaders.

Ms. Brown comes to Central Oregon from five years as coordinator of Indian Education Research in Reno, Nevada. Her

tribal background is Klamath, Modoc and Paiute.

Ms. Brown will be assisting Central Oregon Native Americans with programs, courses and services offered by COCC.

For further information, contact the counseling office at 382-6112, ext. 340.
