

A Trip to California . . .

Students at the Simnasho School are still reliving their spring vacation trip to southern California. Their words and drawings bring to life five days of new and sometimes scary experiences, offering endless classroom lessons.

Emiliano Williams
Third Grade

I like the zoo and I liked the air plane ride. I like the cars and Knots Berry farm and space mountain and monarail ride. I like the best is swimming pool train ride and the boatride I like the motel and I liked it at Disneyland Restront.

Angela Smith
First Grade

Monkeys how they swing when they wave.

Angela Smith
First Grade

I like to drive the car it is fun I wish I went there again.

Missy David
Third Grade

It looked fun and I wanted to ride it.
