

Warm Springs Lions Club

New officers installed by district governor

Past District Governor Cal Calvin, (left) a member of the Prineville Lions Club, and Mr. and Mrs. Ted Webber, the current District Governor and a member of the Hood River Lions Club. Webber, who makes his home in the heart of the Hood River valley in the community of O'Dell, presided over the installation ceremonies for the newly appointed officers of the Warm Springs Lions Club on the night of July 30, in the Wasco Room of Kah-Nee-Ta Lodge.

Spilyay Tymoo Photo

Ted Webber, the District Governor was on hand to install the new officers for the Warm Springs Lions Club on July 31. Incoming officers were James D. Cornett President, Sid Miller 1st Vice President, Ken Goddard 2nd Vice and Richard Craig 3rd Vice.

Clint Jacks is the new Secretary, Francis Atkinson Treasurer, Andy Lucas the Lion Tamer, and Don Maxwell, Tail Twister. Serving as Directors are; for one year Ed Manion, two years Bill Bennett, and three years Dave Williams.

Getting things underway was the out-going President Charles Nathan. After a few remarks he turned the floor over to Andy Lucas who led the group as they sang, "God Bless America."

Cal Calvin, the past District Governor and a member of the Prineville Lions Club, spoke on the functions of Lionism throughout the world and what it means to him. Calvin said Americanism and Lionism go hand-in-hand when it comes to helping the underprivileged. Calvin has been very helpful to the Warm Springs Lions Club and is always willing to give a helping hand.

Ted Webber, the installing officer, focused his remarks on the duties of each incoming officer. There were some new officers who were absent because of prior commitments which called them out of town. Stand-ins were used to complete the ceremonies. Since the new President James D. Cornett was out of town on business, Francis Atkinson gave the acceptance speech. He spoke on what Cornett's views are for the club's future and the direction and goals for the coming year.

Atkinson went on to say that the local Lions Club has worked hard to aid several individuals here on the reservation, however there was no publicity given to the club for all its accomplishments. He continued, saying that with a lot of support from the community the club can do a whole lot more.

The ceremonies were short and simple and everyone had an enjoyable evening. Visitors were wives and guests of club members. Ted Webber had a special guest, Masakazu Kajihara of Hiroshima, Japan. Although there was a communication gap he still seemed to have enjoyed himself.

Come to our wedding

Everyone in the Warm and Richard Little at the Springs and Simnasho Simnasho Longhouse on communities are invited to the Saturday, August 11, 1979 at wedding of Pennie Albrandt 2:00 p.m.

- August 26-29 Annual Convention of Affiliated Tribes of Northwest Indians to be held at Kah-Nee-Ta.
- September 3 Labor Day Holiday.
- September 4 First day of school.

Police Report

Two single-car accidents under investigation

In separate accidents, two cars sustained heavy damage and hospitalized four.

On July 28, a 1967 Ford station wagon, driven by Marilyn Ennick, 18, Warm Springs, was attempting to pass four cars on Highway 26 near the old senior citizens housing when it went off the road to avoid a collision. The car struck and broke a telephone pole.

Ennick and Simon George, 29, Warm Springs, a passenger in the car, were transported to Mountain View Hospital. No

citations are issued as of yet and an investigation is still underway.

Delmar Davis and Dora Goudy, both 24 and from Warm Springs, were admitted to Mountain View Hospital after Davis' Subaru Brat struck a bridge on the Kah-Nee-Ta road early Friday morning, July 27.

Davis and Goudy were southbound when the driver lost control of the vehicle in loose gravel, rolled once, and hit the bridge.

The driver of the vehicle has not been determined and the accident is still being investigated.

Berry Feast Sunday

Car loads of people have traveled to the Mt. Adams and Mt. Hood areas to gather huckleberries for the feast this Sunday August 12.

Washat services will begin at 10:00 a.m. at the HeHe Longhouse followed by the traditional packing around of the berries.

All are welcome to attend the ceremonies, but photos are not allowed in the Longhouse.

Mini-conference for the career-minded

With the theme, "Setting your goals for higher education and careers," a mini-education conference is scheduled to convene at 1 p.m. August 16, at the Community Center.

There are several projects offered through Tribal and B.I.A. departments which can be very beneficial to students who are returning to school this fall, according to coordinator Wendell Jim.

At the beginning of the meeting the Northwest Regional Education Laboratory will show slides giving examples of how each project can be utilized by the students. The Warm Springs Exploration Project will be explained

by Wendell Jim and Theresa Katchia. This is for students between the ages of 18 and 21 who will choose a career on which to do research and perhaps some on-the-job training.

The summer youth program has been in existence for several years. But for those who are not really familiar with the program, Danny Martinez will explain the program in detail. Also the student trainee work programs and Tribal jobs will be covered by Lloyd Smith who is the CETA-Personnel manager for the Tribes.

For full advantage of the Tribal and B.I.A. educational

scholarships, Jody Calica and Marlin Reimer will be on hand and each will give talks on who is eligible for funds that can be made available from these two sources. Calica will cover the Tribal Education Scholarship program for best results and Reimer will cover the B.I.A. part.

Mary Anstett will be here to speak on the functions of the Indian Boarding Schools and Vocational Training centers throughout the country.

In closing, education committee chairman Mike Clements will respond to all projects covered during the conference.

Continued from page 1

Land claim

land ceded by the Treaty of 1855. The Tribes claimed that the ceded area was about 10 million acres and that it had a value, at the time of the Treaty, of at least \$10,000,000. The Tribes claimed that they received no more than \$200,000 in payment under the Treaty and were entitled to recover at least \$9,800,000 more from the United States.

In 1954, the Court of Claims decided that the Indian

Claims Commission should not consider or treat the cession of lands to the Government under Indian Treaties as acknowledgement by the Government that the Indians ceding that land had title.

From March 1958 to August 1968, the Tribes fought to prove exclusive occupancy of the ten million acres upon which the Tribes based the claim. After numerous appeals and rehearings, the Indian

Claims Commission awarded the Tribes exclusive occupancy to only 1,605,000 acres and thus closed that phase of the case.

Finally, the loss of acreage and claims by the Government for offsets and Treaty considerations brought the parties to a compromise settlement and to the present figure of \$1,225,000.

Tribal members voted in 1973 to accept that amount.
