Local team fast but too short

The Warm Springs 4-H Basketball team traveled to Portland to participate in a 14 year-old-under basketball tournament on February 27 and 28th. There were teams from Washington, Northern California and Oregon.

In their first game against West Tacoma, who won the tournament, proved to be too much for the young Warm Springs team. The boys did well for their size and also had a lot fun getting acquainted with all the other boys.

The local boys lost both of their first two games and were eliminated from the tournament. There were some big boys in that tournament, ranging from 6'3 and 6'4. Our

boys could hardly get many rebounds against those big boys.

The leading scorer for the Warm Springs boys was Ryan Smith (Smitty) who scored an average of 13 points per game. In the first game, after going scoreless for about five minutes, Hobo Patt came through to score the first two points.

Coach Nelson Zomont said the boys did well, played real good ball and were faster than the other teams. But one of the big downfalls was "we just couldn't get the rebounds."

The Warm Springs boys were the smallest team in the tournament but played well for their size.

Bowling is a sport enjoyed by many people. Team members on the VFW Post #4217 include (left to right) Jeff Sanders, Tony Suppah, Claude Smith, Sr., Gene Greene, Alvin Smith and Milan Smith (not pictured).

The VFW Post #4217 auxiliary team includes (left to right) Charlotte Shike, Berna Tufti, Noreen Greene, Mercedes Suppah, Angie Boise, and Anna Clements.

Three Sisters classic set

The Three Sisters Classic is set for April 26, 1981. Starting time is 10:00 a.m. on Sunday. There will be a 13.1 mile run and shorter one 10,000 meters (6.2) miles. The runs will start and finish at Central Oregon Community College. There are dressing facilities and showers available. T-Shirts will be given to all participants. The entry fee is \$5 before April 1 and \$6.50 thereafter.

The courses are hilly and mostly paved and offer runners a scenic view of the Oregon

Cascades. Runners should be advised that both courses may present a stern challenge to those who are not used to hill-running at an elevation of 4,000 feet above sea level.

Runners should be further advised that the weather in Bend in April is highly unpredictable and the temperature may range from below freezing to into the 80's.

The 1980 winners are as follows: **13.1 mile men**—Cornelius Branson, Seaside, Oregon time 1:16:39; **Women's**

13.1—Susan Post, Portland, Oregon time 1:48:02; In the **6.2 men's race** Jeff Sherman, Blue River, Oregon time 33:33; the **women's race** Cheryl Garmoe, Bend, Oregon time of 42.48.

36-and-older basketball tourney

On March 6-7 there was a 36-and-older men's basketball tournament held in the Warm Springs Community Center which included teams from Burns, Chiloquin, Portland, and the Tenino Studs. The teams were hosted by the Warm Springs Old Magpies.

The tourney was a great success, proving to be a lot of fun along with good competition. Some of the old stars from the past showed up making the all-star team. Al Wilder from Chiloquin was the Most Valuable Player and high scorer for the tourney. Everett Miller was Mr. Hustle. Everett played a game at 10:00 a.m. Saturday then went to Simnasho and ran the 14.5 miles in 2:08 and returned to

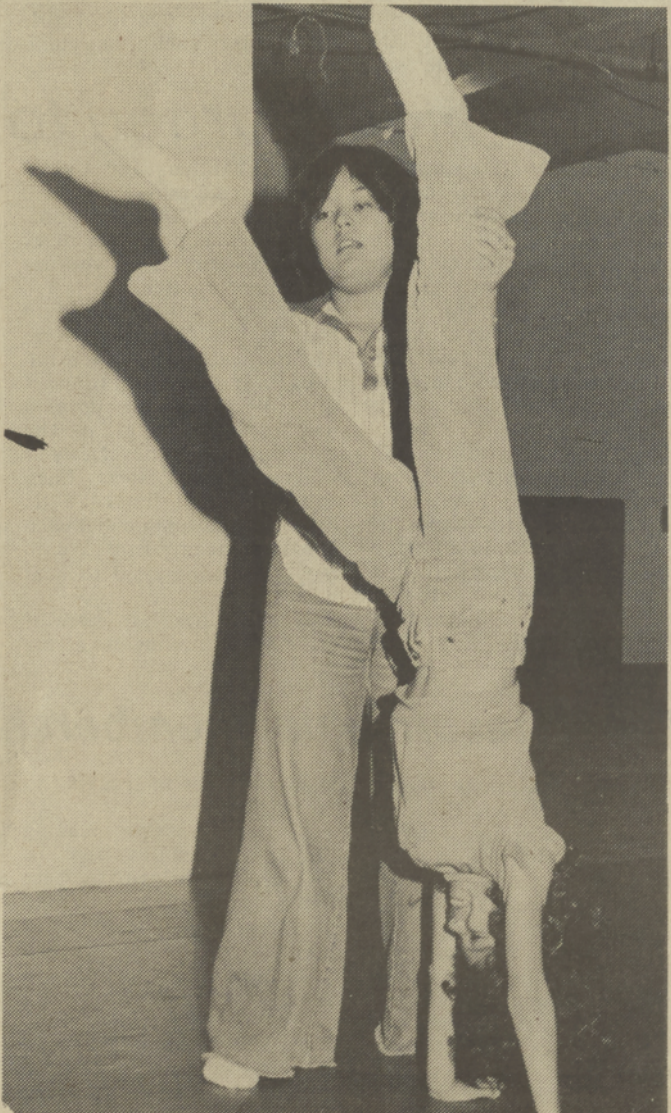

the Community Center to play two more games, truly Mr. Hustle.

The all-stars were Ed Case, Fred Miller, Butch Crume, Satch Miller, Tom Estimo, Byron Patt, Everett Miller, Norman Redbird, Buzzy Nelson, Sammy Colwash, and Danny Goldie Scott.

Sprague River won the tournament beating out the old Magpies 92-78. Ed Case paced the way with 34 points, proving too much for the Old Magpies. The mighty Tenino Studs finished third led by Sam "Lefty" Colwash, Hank Palmer, Danny Scott, Chuck Nathan, Fabian Sutterlee, Jack Langley and their fast-break specialist George "Squeaky" Clements. Squeaky ended up

on crutches after the first game due to an ankle sprain. The Tenino Studs put Squeaky on the injured list to protect the club's interest in this player. No players have been put on waivers yet!

George Danzuka was also injured in a freak mishap at home, but showed up to play. The Portland Trailhoppers finished fourth losing a tough game to the Tenino Studs 62-70. Squeaky poured in 16 points to pace the winners. Norman Redbird had 29 points for the losers. Burns, Oregon finished fifth. There are other 36-and-over tourneys being scheduled, one at Chemawa and another at Chiloquin, Oregon.
