Clear the arena

On April 11 and 12, 1981 the Warm Springs Rodeo Association presented the annual Root Feast Rodeo in Warm Springs at the rodeo arena. A fair crowd and contestants were on hand to witness the event. The weather might have prevented some folks from turning out for the rodeo this year.

The rodeo stock was locally furnished. The steers were brought in for the roping events. On Saturday Evaline Patt and Georgia Miracle timed the events and on Sunday Evaline and Ginger Smith did the timing. The rodeo announcer was Bill Carter. The judges were Junior Anderson of Beatty, Oregon and Ted Skinner from Portland. Paul Estep was the arena director for the event.
