

Children's summer

Thirsty and hungry people were in luck July 14th and the 21st because lunches and lemonade were waiting for them as they passed by the Community Center.

"Buffalo Horse" takes a dip in his swimming pool to cool off a Warm Springs summer day.

Sherry, Pheobe and Marvin are just a few of the children at the C.C. who have been busy through out the week preparing items such as "Cookie Monsters" for their sack lunch sale. Assisted by instructor Carol Allison.

Kids have been working all summer in the Summer Recreation Program at the Community Center doing jobs such as Sack Lunch sales, a cookie monster sale, car washes, a children's rummage sale and family bingo games. Their money-raising efforts will go toward paying expenses for a "Super Trip" to Oregon's sunny beaches.
