

Immunizations required to attend public schools

Parents of students attending school in Jefferson County School District 509-J recently received letters concerning the Oregon Immunization Law as it applies to the students.

It is important that parents understand the law and how it applies to their children. To attend public school in the state each child must be 1. fully immunized as required, of 2. in the process or receiving immunizations, 3. exempt from immunizations and 4. have accurate and complete immunization records on file with the school.

To meet these requirements a parent needs to check with the Indian Health Service, county health department or the school to find out if records are accurate and complete.

Each child is required to have the complete set of diphtheria/tetanus vaccine which consists of four doses unless the fourth was received before four years of age and then a fifth dosage will be required, polio requires four doses, measles vaccine is one dose and must be received at 12 months or after, rubella also

requires one dose at or after 12 months and mumps vaccine is one dose at or after 12 months.

Children who have had measles, mumps or rubella are not required to have the vaccines but the others are required.

For parents of children who qualify for Indian Public Health services they can go to the PHS clinic in Warm Springs to have the records updated and to receive their vaccinations.

Children are required to meet the standards set by this law in order to attend school. Records must be completed and sent to the school before March 8 to allow the school time to change the primary review and update it for the County Health Department.

If parents have any questions or need information concerning the immunizations and the law as it applies to their children they should call the Warm Springs Clinic at 553-1196 and ask for the Community Health Nurse. The nurse can make arrangements for our child to receive any necessary immunizations.

No one was able to identify the location of the last geo-quiz. It was located between milepost 6 and 7 on Highway 8 just past Rattlesnake Springs facing south. This week's geo-quiz should be easier to locate. Correctly identify it and win a year's subscription to Spilyay Tymoo for yourself or a friend. Spilyay Tymoo photo by Squiemphen

Dinner: 6p.m. Meeting: 7 p.m.
Topic: WSFPI Annual Report

Summer Work Program set for June 14

The 1982 Summer Work Program will not be effected by recent federal budget cutbacks. Tribal monies, not federal, as in the past, will provide base funds. The program is tentatively scheduled to begin June 14 to August 6, 1982.

Graduated wage rates for 14-17 year olds, will be in effect for the summer work program. Hourly wage will be determined by completion of past summer program participation. Those who did not complete the eight week work program the previous summer, or have not worked before, will begin at the minimum wage. Consecutive positive summer employment will earn a student an increased hourly wage. Positive summer employment includes past eight

week program completion, job performance and positive termination.

Necessary documents include a copy of an acceptance letter and a financial aid request to the tribe. Vocational/technical tribal students must have completed a 36-38 week program during 1982. Documentary evidence from all student trainees is necessary to assign the appropriate hourly wage and to insure eligibility.

Tribal youth who are attending school this academic year will receive first priority in hiring. High school graduates who do not plan to attend a post graduate institution, are considered part of the adult work force and are ineligible for summer employment.

Applicants must have a work

permit and a social security number. Work permit forms are available at the Personnel

department in the Tribal Administration building. Social Security applications must be accompanied by a birth certificate. It takes eight weeks to receive a social security card. Social security applications are available in the Vital Statistics office.

It is advised that work permits, social security numbers, and tribal identification be applied for immediately to avoid hiring delays. Youth will not be hired without proper documents. Summer work program applications packets will be made available at the Junior High School, High School, and Alternative Education at a later date.

Howlak Tichum

Ella Wolfe

Ella Wolfe died February 15, 1982 at the Mt. View Nursing Home. Conflicting birth records state that she was born in either 1895 or 1898.

Mrs. Wolfe was born to Jim and Mollie Mushinplaw. She married Norman Wolfe. He died September 1, 1956. Their only son Nelson, died at age 13. She had two brothers, Louis and an unnamed infant brother and three sisters, Ida Tuckta, Jessie and Maude Mushingplaw. All preceded her

in death.

Her paternal grandparents were Marshumpla and Kunpihik (also known as Whah-Tak-Whoo or Chu-Yeoke). Her maternal grandparents were Sam Puhl-Tai and Tah-Pan-Nie.

Dressing was February 16, 1982 at the Simnasho Longhouse. Overnight services were conducted by Nettie Shawaway. Burial was at 7 a.m. February 17, 1982 at the Simnasho Cemetery.

Kim Evans

Following a car accident Kimberly Crystal Nathan Evans died on February 20. She was born in Redmond, Oregon on February 21, 1963.

She lived most of her life in the Central Oregon area, recently having moved from Madras to the Bend area. She attended schools in Warm Springs and Madras. She was an enrolled member of the Warm Springs Confederated Tribes, a member of the Conservative Baptist Church of Madras and a past member of Bethal No. 54, Jobs Daughters in Madras.

She is survived by a daughter Sara Lynn Evans of Warm

Springs; her father Norman Nathan of Warm Springs; her mother Carrie Nell Miller of Bend; two brothers Scott Nathan of Talent, Oregon and Michael Gowans of Hobbs, New Mexico; a sister Kathy Bianez of San Jose, California. Also surviving are grandparents Donald O. Nathan of Casa Grande, Arizona; Hazel Seyler of Warm Springs and Susie Kaufman of Portland.

Funeral services were held February 23 at 10:00 a.m. at the Madras Conservative Baptist Church with Pastor Bob Zachery officiating. Burial followed at the Warm Springs Agency cemetery.

Francis Knight

Francis Arthur Knight died at St. Charles Medical Center on February 21 of injuries he received after being hit by a bus in Madras on that same date.

Born in Redmond, Oregon December 21, 1956, Francis was a lifelong resident of Warm Springs. He was an enrolled member of the Warm Springs Confederated Tribes and a member of the Simnasho Longhouse. He married Ramona Michelle in Reno, Nevada on June 3, 1977.

Surviving him are his wife Ramona and four daughters Vanessa, Malissa, Marie Ann

and Lynn all of Warm Springs. Also surviving are his parents Charles Knight of Vancouver, Washington and Romagene Joe of Warm Springs; grandmothers Matilda Mitchell of Simnasho and Prithina Wright of Vancouver, Washington. Numerous aunts, uncles and cousins also survive Knight.

The dressing was held at the Simnasho Longhouse on February 23 with Bill John officiating. Tribal Seven Drum Ceremony services followed at the Longhouse. Burial followed on February 24 at the Simnasho Cemetery.

Doll making was only one of the crafts taught at the arts and crafts class instructed by Maryanne Meanus. The class is sponsored by the Culture and Heritage Department. Pictured in class are (left) Maryanne Meanus and (right) Kathleen Moses.
