Historical society seeks info

Dear Delbert Frank, Sr.,
Hop agriculture has played a major role in the history of the Central Willamette Valley. The Benton County Historical Society is presently involved in a major effort to record this history.

As I stated in an earlier letter, which I hope you received, we are interested in presenting as comprehensive a picture as possible of the hop industry. We plan to conduct a limited number of oral interviews and to survey a larger number of informants by questionnaire.

It is our understanding that Indians from Warm Springs area have been involved in the

past with the production of hops, particularly as harvesters. We would like to include a record of their experiences in our study.

We ask your assistance in making the members of your community aware of our project. We are enclosing several forms to be filled out by anyone who has had experience with the hop agriculture and who is interested in contributing to the study. Completed forms should be returned to the museum as soon as possible.

The project will result in a narrated slide presentation to be given at Oregon State University on May 9th of this

year. The public is invited to attend.

We look forward to hearing from the Council and from members of your community. Thank you in advance for any help you may be able to give us.

Sincerely,
Kathleen Hudson Cooler
Assistant Director

(Editor's Note: Copies of the one-page questionnaire are available at the Spilyay Tymoo office and the Extension office, both in the old Administration building.)

D.C. trip valuable for CHRs

To the Warm Springs Community,

We'd like to take the time to thank the following people for making it possible for us to attend the National CHR Conference in Washington, D.C. last month. All of us feel that our presence there, and our concern with the budget cuts, will have a great impact on the final decision.

We met CHRs from all over the United States and Alaska and were in meetings from 8 to 5 everyday. There was not time for sight seeing though we did get one evening tour.

The highlight of our trip was a testimonial in the Rayburn Building given by Felecia Hodge of the Northwest Indian

Health Board. The exciting part was that she introduced us there.

So, we'd like to thank the community for their support with the \$\$, time and donations. The biggie we did was the basketball game, which was a great success thanks to Delson and Chinn Suppah, who have been the backers for our tournaments over the past years. Thanks, we love you!

The following people we have to mention and if we forgot anyone, we didn't mean to.

Our special thanks go to: Confederated Tribes, (Tribal Council), the following logging companies: Brunoe, Smith & Greene, Alfred Smith, Sylvester Smith, Earl Tufti

Brush Piling, Warm Springs Elementary School, Delbert Frank, Charlotte and Enos Herkshan, Wimpy and Wilson, Marjorie Danzuka, Richard and Marion Biss.

We also have to thank our families for putting up with us and all their faith and support.

More thanks goes to Harry and Pat Miller, Evens and Eilleen Spino, Don Holliday, the VanPelt family, Ron Govenor and family, Harvey Scott and Family and Perl Johnson and family.

Thanks again!!

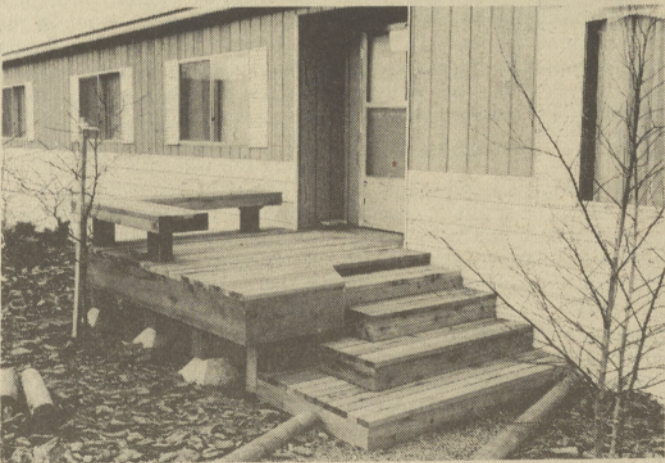

Adeline Miller, Viola Govenor, Ruth Tewee, Florene Scott and Eliza Brown.

Thanks for caring

To all who helped,

We would like to thank everyone who helped us in our time of need. Thanks to our own relatives who came through and helped us with the food for dinner. Thank you Laura Crowe, Evelyn Sam, Angie White, Clarese Wesley and Ursula Little for cooking

the meals for us.

We also thank the friends who came to pay their respect to the deceased.

Love from our family,
