## Letters to the editor Support appreciated by Keo's

### No response to last request

To the Editor,

Recently we ran an ad requesting help from family, friends and relatives for a picture of Dempsey F. Polk, who passed away in March of 1972.

The purpose of the picture is to complete his monument purchased some time ago.

Without a picture, we feel our work is not completed.

We, the children of Dempsey, thank you for taking the time of reading our request for help. We sure would appreciate a picture.

We thank you very much,

To the Editor,

I want to thank all the people at Simnasho Longhouse for the great send-off they gave me the day before I left. A special thanks to Aunt Kate for everything and to Grant Waheneka for his speech, support and encouragement. I would like to hear from

some of you home folks. I'm settled in now and like it so far. You can write to me at:

Amn Keo, Spencer L.  
Box 3726  
APO New York 09755

Thanks again,

Spencer Keo

We would also like to thank each one for their show of appreciation and love to Spencer at Simnasho Longhouse. This means so much to our young people to know we're behind them all the way.

Mr. and Mrs. Levi Keo  
and family

### Please Write!

### Looking for graduates

The school year is almost at a close again and graduation is nearing. The Education Committee is once again planning for their annual graduation banquet. We make an effort to recognize all tribal members graduating. Somehow, we always manage to miss someone. We therefore ask you

if there are any tribal members graduating, either high school, boarding school, college, or GED out of the Warm Springs/Madras area, please contact our office prior to May 21st. For those who are working on their GED's, all GED's must be completed by May 21st.

### Grimm to speak on Alcohol/drugs

Bob Grimm, a former football star for OSU and later-on drafted into the professional ranks where he played wide receiver for the Minnesota Vikings will be here to speak on alcohol and drug abuse at the Warm Springs Elementary school May 18, from 11 a.m. to 12 p.m.

The talk will focus on the prevention of alcohol and drug

abuse to the children here in Warm Springs. Alcohol and drug abuse is becoming a problem throughout the country among the younger generation.

All parents are invited to attend the talk because parents should be aware of alcohol and drug abuse and the problems it creates when used in excess.

## Bike-A-Thon a success

To the Editor,

The St. Judes Bike-A-Thon was a success. We had beautiful weather, 16 riders, eight walkers (including several small children) and a very helpful and thoughtful group of volunteers. We made over \$700 "Riding for Terry." I am very pleased with its success.

I would like to extend a personal and sincere thank you to all those persons who helped organize, promote and run the Bike-A-Thon.

A very special thank you to Andy Lucas who was our M.C., the police department and Fire and Safety for monitoring the route and utilities for supplying their time and equipment.

The kids were great. Five rode 20 miles and the rest rode between eight and 12 miles. Thank you all for your support. You made it a success.

The organizations that donated prizes were the Burger Inn, Warm Springs Rodeo Association, Police Officers

Association, Kah-Nee-Ta, Warm Springs Athletic Association, Warm Springs Forest Products Industries, Warm Springs Boxing Association, Inter-Tribal Sports and Ahern's Market.

Again, thank you all for helping out—it was a very good cause.
