The 1982 little league baseball season has come and gone with teams from throughout Jefferson County providing all the action.

Now that the echos of all the Hoorays! the Yeahs! and Boos! have all faded away the Papooses of Warm Springs emerged the '82 Champs, sporting a perfect record of 10 wins and 0 losses.

It was through good team effort and determination which was the big factor behind the teams successful season. Good strong pitching of Dalton Trimble and Tray Leonard gave the team the big punch they needed along with super defense.

Coach Leonard said that the first part of the season it was a little slow getting things together but later on in the season things begin to fall into place and there was no problem from then on as the Papooses held on the finish in good shape and a clean record.

Behind good pitching there has to be good defensive play which the Papooses done well,

the in field along with the outfield was strong. The hitting contributed its share of the teams good season. It takes hits to get runners on base and it takes runners on base to score points and thats just what the Papooses did well, was to score points.

Behind a kids team is the enthusiasm of the parents. There was total cooperation and support from all the parents all season long, this gave the kids a big boost to know that the backing was there.

With this season now, past the next step is the state play-offs from which Jefferson County will enter a team of All-Stars of players from all teams in the league. From the Papooses selected to play are Dalton Trimble, Tray Leonard, Kanet Wolfe, Norman Wolfe, Casey Greene and Reynolds Allen. Team members from the other teams are unknown at this time. This year the play-offs will be held in Hermiston, Oregon later in the month of July.

### All-star team

### manager and coach chosen

### Softball all-stars named

The major league softball All-stars from Jefferson County consisting of girls from the ages 9-13, will play in district tournament at Boardman, Oregon July 14-17, 1982. Other entries will include Redmond, Hood River and Hermiston.

The Jefferson County's first game will be on Thursday the 15th at 5:30 p.m. The major league double elimination tournament is the first step toward state, regional and the national competition.

The Madras All-Stars are:

Annette Archer, Trish Conklin and Missy Donaghu, those from Culver are; Shelly Hagmen, Kathy Murders, Angie Namenuk, Ciana Ohlde and Kelli Thomas, the girls from Warm Springs are Juliane Smith, June Smith, Alfredine Smith, Lynn Tanewasha, Missy David and Cristel Leonard.

Practice is being held at the Madras Little League fields. The coaches for the all stars are Fran Moses and either the coach from Culver or Julie Mitchell.

The manager and coach for the Jefferson County All-star team were chosen by vote of the entire coaching staff of Jefferson County Little League teams at a meeting held earlier this month. Michael Leno, coach for the Christian Church team was selected as the manager and Lyle Rhoan, coach for the Little Bucks team was named as the coach.

Both men have worked with the Little League program for many years. Lyle has been with

the program for 20 years working with the youngsters from the Warm Spring area. Michael has coached the Christian Church team for five years and during his playing days of Little League he played for Lyle on the Warm Springs senior League team. According to both men the idea of working together is not a new concept for them.

Practice for the All-star team started on June 29. Boys are chosen by their coaches to try out for the All-Star team. From

those chosen to try out the final selection of the 14 All-Star players will be made by Michael and Lyle later this month. Until the selection of the team members is made the boys will work out together.

The Jefferson County All-Star team will participate in District 5 tournament to be held at Hermiston, Oregon. They are one of eight teams seeking first place in the district. Winner of the tournament will attend the state tournament held later this summer.

### Memorial tournament set

The Warm Springs Bravettes will host an 8 team double elimination softball tournament in honor of their late coach Vernon Tanawasha July 10, 11, 1982, at the Papoose field. Ceremonies will begin at 8:45 followed by the games.

There will be a memorial Dinner (picnic) for all the teams, friends and relatives at 12:00 noon at the picnic area by the ball field.

The loyalty and dedication form his team is highly commended. He left behind a great team which was all he wanted, to be competitive and

enjoy the sport, the team was his second family.

He stressed attitude conduct on ad off the field and never wanted to hear anyone say, "I can't do it." His support and strength as, friend, and father is definitely missed, but his coaching and teaching left a team and family with the qualities he highly valued. In our eyes and hearts he was a "Champion."

To you we dedicate this tournament "Coach Tanewasha."

The Team

### First annual firecracker run

A benefit for COBRA/ Women's Crisis Service, the first annual Firecracker run of 5 and 10 Kilometers is set for Sunday July 4, 1982, with the starting time of 8 a.m., at the Juniper Park where the course is said to be fast and flat.

Registration is \$6.50 and non-refundable before June 10th and \$8.50 there after to the day of the race. The entry fee includes use of the Juniper Pool after the race. All entries must accompany entry forms.

Beating the clock

Over 120 runners competed in this year's 5.3 mile and 2 mile Pi-Ume-Sha run. Runners commented that they enjoyed the course because it was not the ordinary flat course but provided variety with hills, turns and nice scenery.
