Sisters, Hood River, Willow Creek, Deschutes County, The Dalles American, The Dalles Western, Redmond and Columbia will also be vying for the title for District 5. The winner of the play-off will represent District 5 at the State of Oregon Little League Tournament in Salem later this summer.

Riverside Park in Boardman was the site of the 1982 District Softball Major league tournament on July 15, 16, and 17. The Jefferson County All-Stars dethroned the defending champs, Hood River, to represent district Five in the state playoffs on July 26-August 1 in Hood River. The other four participating district teams included Hood River, Columbia, Redmond and Hermiston.

Against Hood River Jefferson County All-Star team member Diana Ohlde, Culver, pitched consistently and maintained the composure of a big leaguer. Ohlde did not allow a base on balls and concentrated on making the opponents use their bats. Team defense played a key role in the decisive victory. Hood River held all teams scoreless after their loss to Jeff-County, and finished in third place.

Kathy Murders, Culver, pitched in the championship

game against Columbia. Columbia advanced to meet the All-Stars by defeating Redmond. In the first inning, both teams scored one run. Columbia scored again in the fourth, and two runs in the fifth inning. Jeff County did not score until the fifth and went in the sixth and final inning down by a 2-4 score. In the top of the sixth with one out, eight runs were scored before the second out was made. Four walks and four runs later, the third out was finally tagged. Jeff County went ahead 14-4 and needed only to hold Columbia to win. After a lead off single, Columbia was held scoreless with three straight force outs at second base and the Jefferson County all-stars celebrated with overjoyed parents and attending fans.

State champions will advance to regionals in San Bernadino, California then on to national finals in Denver, Colorado.

Co-Ed team honors two

Two softball players from the Co-ed softball team from Tygh Valley were chosen for the all-star team at the recently held tournament in Muckle-shoot on July 10 and 11. Those chosen for the honors were Carolyn Johnson and Louis Henry. The team is coached by Ellen Johnson of Warm Springs. The team has played co-ed softball for the last four years. Since co-ed teams are

new to this area, there have not been too many games for the Tygh Valley team except in tournament play.

A Co-ed softball tournament is planned for Warm Springs on August 7 and 8. It is hoped with a tournament being held in this area it will bring about an interest in co-ed ball, stated Tygh Valley coach Ellen Johnson.
