

# Summer Recreation—fun things to see and do

For the children and people of Warm Springs the Summer Recreation program offers a variety of activities to pass the summer hours. Activities range from arts and crafts to dog shows to judo exhibitions to hikes to water adventures to just quiet times spent at the Community Center.

The program is development to enrich the summer of each who participate. There are activities for all ages. One of the highlights of this summer has been the project of building to "biggest snake in Oregon" a project which has given pleasure to Warm Springs residents as well as Madras and Portland.

The program is a well oiled machine which runs well thanks to the efforts of the Summer Recreation staff and the staff of the Community Center.

**EIGHT WHEELING**—Chris Arthur shows the skill of handling eight wheels on a pair of skates.

**WHITE WATER SPORT**—For some of the recreation participants an afternoon spent on the Deschutes River is the ideal way to spend a summer's afternoon.

**QUIET CONCENTRATION**—Sherry Maagdenberg works quietly on an arts and crafts project. In front of her is an example of a piece of art work she completed earlier this summer.

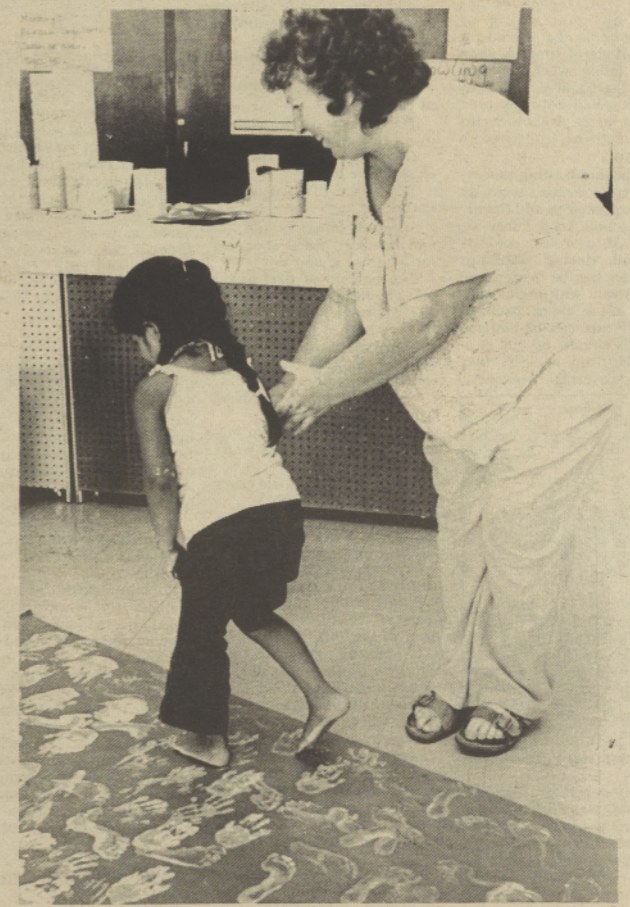

**TEAM WORK**—Lillie Van Pelt, summer worker and Otis Johnson find two sets of hands make the job of putting final touches on hats much easier.
