### Warm Springs wins Labor day tourney

It was a long day for the Warm Springs "Ayes" baseball team on September 6, playing five games on the way to the championship for the Labor Day baseball tournament held on the local field.

In their first game they stopped the Pendelton team 9-0, and were immediately matched with Oakville, where they were victorious once again 5-2. Their next opponent was Tulalip for their third game where they pulled out a squeaker by the score of 9-8.

Going into championship play Warm Springs was

matched with Lil' Boston who at that point hadn't lost a game in tournament play. Warm Springs managed to pull this one out by beating Lil' Boston 8-4.

Now both teams each lost one game apiece so this matched Lil' Boston with Warm Springs in a back to back game for the championship. Warm Springs went on to beat Lil' Boston 10-2 to take the championship. Tulalip placed third, Oakville fourth and Pendelton fifth to round out the top five teams.

### Labor Day round robin tourney

During the Labor Day weekend little league baseball teams from Reno, Nevada, Nespelem, Washington and the Warm Springs Papooses played a round robin tourney in a fun affair.

The first game matched Reno against Warm Springs where Reno came out the winner by the score of 7-1. Even though the sun was shining bright, things looked very dim for the Papooses. The Reno pitcher Kevin Pete, collected a total of 18 strike-outs during the game for the win. Dalton Trimble was doing the pitching

for Warm Springs.

Kanet Wolfe was the only player for Warm Springs to get a hit off the Reno pitcher which turned in to be a triple, and from there he went on in to score the lone Warm Springs point.

In the second game the Papooses handed the Nespelem team a 13-0 shut-out. With only the three teams showing up for the tourney Reno ended up with the best record. The kids had a good time and are hoping to have another one next year. There were nine all-stars selected and the Nespelem

Rudy Clements, the Warm Springs "Ayes", was voted the MVP and an all-star. Arnie Youghton and Whitney Miller also from the "Ayes" were also selected to the all-star team. Ray Shike Jr., of Warm Springs II along with Steve Medina of Oakville, Bob Marchand and Chip from Tulalip, Eugene and Rocky from Lil' Boston rounded out the nine all-stars. The sportsman trophy went to Oakville.

Sal Sahme, Warm Springs team member and tournament director worked hard to put on a well run tournament.

### Buff's win opener

The Buffs are off to a good start by winning their opening football game 25-12, over the Bend Lava Bears, Friday night September 3.

Troy Smith, the Madras fullback compiled a total of 130 yards and two touch downs to lead the Madras attack. Smith was very instrumental on defense and doing good blocking also. Brad Blackman, the buff running back had one of his best runs, a 70 yard scamper down the sideline, out running the Bend defenders for a touch down.

The Madras defense played a sharp game all evening long stopping the Bend Lava Bears time after time. A couple crucial ones were when Bend drove down with in the 20 yard

line but were unable to score.

Going into the intermission the Lava Bears were sporting a 12-7 lead, and things were looking pretty much in their favor. In the second half the Lava Bears kicked to the Buff's and just two plays later Bend recovered a Madras fumble giving them good field position with-in the 20 yard line, but the defense rose once again and stopped them cold. The win was a boost for the Madras Buff's beating Bend.

The season is early yet and there are some tough non-league games to play before entering conference play. The momentum is there, the Buff's have the material, this could be a very interesting year.

### Wednesday night bowling

The Wednesday night Warm Springs mens bowling league will get underway Wednesday night September 8, 1982. The league held their first meeting on the night of September 1, and the following officers were elected.

President is Lester Tanawasha, the Vice President Dale Parker and the secretary by unanimous choice Dick Souers.

Matters of concern during the meeting discussion were that all team captains are to enforce the rule on the 6:45 starting time. Last year there was no cooperation with all teams so this year this has to change. All sponsor's fees must to be in by the 2nd week of bowling.

There will be the usual twelve teams again however there will be some new sponsors this year.
