Bufs turn back Vale

In high school football just the word, "VALE" is frightening. The Vale Vikings came to town Friday night to keep their winning ways in tact, but the Madras White Buffaloes had other plans in store for them.

To some of the living room quarterbacks and the experts said the winner of this game would have a closer step toward the league title. The league is still young and a lot of things could happen before the final game for the season.

It was a battle right to the finish with the Buff's holding on to defeat the Vale Vikings 21-14.

The Buff's jumped into an early lead by a costly fumble by the Vikings which was picked up and ran into the end zone by Randle for the score. In the second quarter the Buff's added another score on a pass from

quarter back Steve Fiala to Randle in the end zone giving them a 14-0 lead at that point.

In the closing minutes of the first half Vale came storming back to score on a long pass putting them on the scoreboard 14-6.

The Vikings came charging right back early in the second half as they recovered a Buffaloe fumble on the three yard line and in two plays later they were in to score to tie the game at 14-14 on a two point conversion.

The Buffaloes had a good drive going marching right down the field, but a Buff fumble inside the Vale 5 yardline halted the drive.

The defense dug in to stop the Vale offense by some good tackles by Steve Smith, Mike McClelland, Jason and Troy Smith along with a host of Buff defenders forced Vale to punt. Madras took over near the 40

yard line. A long pass from Fiala to Randle sparked the Buff offense and two plays later Blackman scooted into the end zone and Troy Smith booted the extra point making it 21-14.

Vale was unable to get anything going as the defense kept pressure on them the rest of the night. The final buzzer gave the Buff's a two win no loss record for the season in league play.

Meanwhile on the same night the Burns Highlanders were on a rampage shutting out the Grant Union Prospectors 30-0, leaving them the only other team with a 2-0 record in the G. O. L. Vale and Mac Hi both have a 1-1 record while Grant Union and Nyssa are both 0-2 in the league standings.

The White Buffaloes will host Grant Union on Friday night to try and make it three in a row.

Bufs blow Nyssa away

In Nyssa it must have felt like a big storm blew in town after the Madras White Buffaloes practically blanked the Nyssa Bulldogs in the opener of Greater Oregon League football game.

Leading 25-0 at half-time, the Buffs handily went on to win 38-13. Brad Blackman started the scoring lunge with a 55-yard scamper down the sideline for the first score. Other scoring came from a two-yard pass from quarterback Steve Fiala to Glen Strutz.

Troy Smith put the frosting on the cake, running in for a score once from six yards out then adding another from a two-yard run.

Early in the third quarter Blackman once again broke loose on a long run. From that point on the Buff reserves took over, getting valuable experience. Rounding out the scoring for Madras was a pass from Scott Williams to Strutz.

Coach Rod Chester said it was good for the boys to get the big win. "It will boost the morale."

He added that the boys from Warm Springs are all doing very well. "I couldn't begin to name them because I might miss some. But they're all doing well."

The next game is with Vale and that could be very important. The Vikings have good experience on the team this year as most of their players started as sophomores.

This year's team is a throw back to the old Viking image. Vale always tough on the gridiron and their past record clearly shows that.

The Burns Highlanders are another threat for the G.O.L. football title. They will be invading Madras for the final home game here on October 29.

Each game is crucial for the Buffs from now on since they are all league games for the rest of the season.
