Valentine's card contest results

The Personnel Department headed up a Valentines Card contest which offered various categories and the winners were: The best overall handmade Valentine Card complete with the message went to Billie Jo McConville.

The best hand made card, the winner for the womens division was Carmon Parkins from the purchasing Department and the male winner was Anthony Kirk. In the category for the

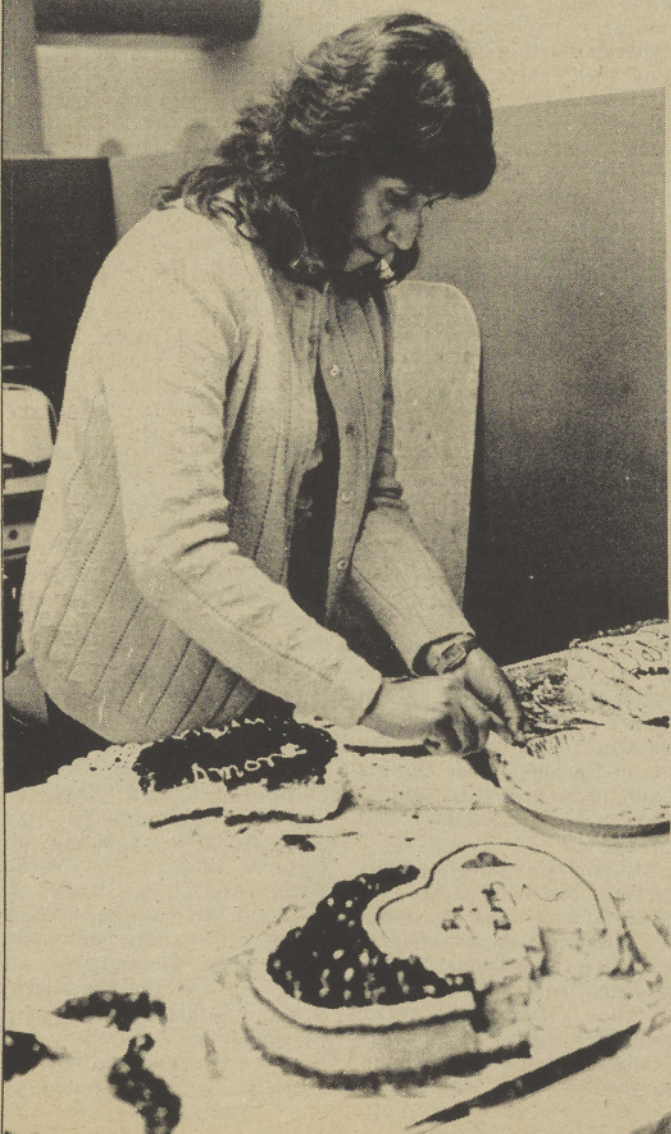

best greeting on a handmade card, the female winner Caroline Cruz and Wesley Smith was the winner in the male division. Tammy Smith won the best overall children's Valentine.

The Personnel department was pleased with such a fine turn out of contestants and would like to thank each one. All Valentine Cards that were submitted in the contest are on display at the Personnel

department.

It was a difficult task for the judges to determine the winners because they were all very well done and all were good. Judging the contest were Madeline Queahpama, Pat Kahman and Cheryl Tom.

All the prizes were donated by the Personnel Department staff for the contest and with such success this year perhaps a bigger one will take place next year.
