Rollerskating fun starts the night out for ladies on Monday and Wednesday from 7 to 10 p.m. All ladies are welcome

Women's activities at Center

The number of women participating in Community Center athletic activities is increasing weekly as they become aware of the need to exercise and the fun in exercise.

A survey taken and analyzed by Community Center aid Lucinda Green has shown what women want. Green is trying to provide that for the women.

Ladies of all ages expressed an interest in getting in better condition. They also wanted to enjoy physical activity with other women.

Individual interests were directed to basketball, volleyball, aerobics and rollerskating. The ladies were interested in learning the skills necessary for participation in these sports. Other skills desired were weight lifting, tennis, swimming and racquetball along with golf, line soccer, softball, karate and jogging.

To encourage women to participate in ladies' night activities at the Community Center a babysitter is available

on Mondays and Wednesdays from 7 to 10 p.m. An advance call would assure a babysitter would be there. A small fee is charged which the babysitter keeps. With this service "there's no excuse" for missing ladies' night, says Green.

Currently available for women on ladies' activity nights is use of the weight room, rollerskating and volleyball. New activities are being introduced with increasing interest by the participants.

White Buffs State bound

After their win over Nyssa Friday night the Madras White Buffaloes stepped into a spot at the State AA basketball tournament which will be held in Eugene.

It has been the same story for the past few years, the Buffaloes making their appearance at state. This year they are returning with last years all state selection Roman Suppah and with their record for the year this far the Buffs could open up some eyes.

With a league standing of 8-0, Madras will travel to Burns

and face the Hilanders on their home court Friday night February 25. The Burns Hilanders stand in the Buffs path for this years GOL championship. The Hilanders are riding a 7-1 record losing only to the Buffaloes earlier in the season.

Prior to the Nyssa game coach was asked about the remaining three league games, he said, "I look at them a game at a time, worry about the game at hand. A win is a win no matter how it comes, I take it, then prepare for the next

game." It was a good team effort against Nyssa, the whole team done real well, especially from the bench. Roman Suppah once again had the hot hand scoring 22 points, Jerome Davis contributed 15, Short 12, Williams 8, Fine 5, Brad Blackman and Dendaw 4 each and Brian Blackman 2. Davis also had a high 15 rebounds for the night before leaving the game in the fourth quarter.

The state tournament will be nothing new to several of the squad members as they were there last year.

Simnasho Mini-Marathon

Runs set for March 5

Registration forms for the 5th Annual Simnasho 4-H Mini-Marathon may be obtained from the Warm Springs Extension Office or from Winona Strong. The plan is to include a copy in the next Tribal Newsletter as well, for the convenience of those who receive it.

Remember, the cost goes from \$5.00 to \$7.00 after February 28th, so save by registering early. Runners under 18 must have the signature of parent or guardian to enter.

Two minor revisions have been made in the 4-H Mini-Marathon program since last issue's article was published.

Another age division has been added. Instead of 40 and

Raffle tickets are now on sale for the drawing to follow the runs on March 5th. Several people around town have tickets for sale including Winona Strong, Extension personnel, and several 4-H leaders and members. It only costs 50¢ to buy one chance at one of many prizes or 3 for \$1.00. Tickets will also be on sale the day of the run.

raffle items to date include: Olson's Saddle Shop, \$10.00 gift certificate; The White Buffalo, shawl; Chris Brunoe, Two 8 x 10 scenic photos of the reservation; Spilyay Tymoo, 1-year subscription; Thrifty Drug; Turners Variety; Quality Sounds.
