

Dance groups scheduled

The Kah-Nee-Ta Sunday entertainment calendar has been finalized for the upcoming tourist season. Entertainment began on March 20 and will continue until September 18, 1983. The entertainment is held each Sunday at the Village.

The regular dance groups will receive \$30 for the dancers and \$45 for the drummers. The check is made payable to the leader of the group. The leader will be responsible for the distribution of the payment to the participants.

The entertainment offered by Kah-Nee-Ta will be the regular Sunday Indian dance groups, special Indian dance groups for private salmon

bakes and the public salmon bakes. Kah-Nee-Ta requests that if the dance groups cannot meet their obligations, they must find a replacement and give advance notice to Andy Lucas or Rose Charley.

Only those drummers and dancers scheduled to perform and are authorized by the leader of the scheduled group will be paid for the performance. This is to discourage persons from going out to Kah-Nee-Ta on the spur-of-the-moment to dance and eliminate conflict.

A good sign that spring has arrived is people out doing yardwork--for the Warm Springs Tribal Construction it is time to get out and start projects that have had to wait for good weather. The construction department has been erecting tribal signs in front of all tribal offices. The signs are made of concrete with the tribal logo of three tepees and the offices' names are depicted with raised letters.
