## Local bowlers strike it big in tourneys

For most avid bowlers, the season ends with the beginning of summer, but for the Confederated Tribes women's bowling team, it was time to prepare to travel to the Women's International Bowling Congress Finals held in Las Vegas, Nevada. It is a five-man team with a sixth member as a substitute. Team members who participated in the finals were Angie Boise, Anna Clements (Captain), Trudee Clements, Norene Greene, Becky Quinn and Margie Tuckta, all of whom are members of the Confederated Tribes of Warm Springs.

Women's teams from around the globe traveled to the annual tournament to bowl for top honors. According to Anna, the team members of her team did quite well in representing the Tribes. Trudee was the top money winner for the team with a 27th place in all-events, a money place in doubles and singles. Trudee won a total of \$225. Becky placed in doubles with Trudee, thus giving her a total of \$115 take home monies. Anna placed in all-events and came home with a check for \$75. Each team member received \$65 for the team event.

While Norene traveled with the team as the sixth member

and sub, she was the big winner for the team in the casinos. She hit a \$500 jackpot on a 25¢ slot machine.

Following the Las Vegas tournament the team traveled to Los Angeles to compete in

the 15th annual Los Angeles American tournament. They placed fourth (2406) in a field of 29 teams. Norene placed eighth (648) in the women's singles. Tuckta and Greene placed seventh in women's

doubles with a score of 1255 total pins. Anna took fifth place in all-events with a total of 1890.

Warren "Rudy" Clements, traveling with the team, entered the Indian tournament and

won third in the Men's Master Classic division.

The Confederated Tribes women's team bowls each year in the Tuesday Night Twisters league at Pelton Lanes in Madras. They are getting ready for the winter and fall league to start in September.

Traveling to a tournament entails a lot of planning and money, according to Anna. The team began to make plans to attend the Las Vegas tournament in 1982. The one big problem they faced was getting enough money to travel as a team. The women of the team started fund raising projects in the community. They held bake sales and made beaded items to sell. The team gets its sponsorship from the Tribe and that covers the fee for league entry fee and often shirts. But the travel monies are left to the team to raise. Norene made the Miss Warm Springs banner and that money went to the travel pot. They will be in the community again raising money to attend the 1985 tournament in Los Angeles. The 1984 bowl-off will be in Niagra Falls, New York but Anna said, "That is a little bit too far to travel."
