Letters to the Editor—

Seniors enjoy conference

To the Editor,

I would like to take this opportunity to Thank all who contributed to the senior citizen fundraising activities. With your help, we were able to send 15 seniors to the National Indian Conference On Aging in Tulsa, Oklahoma.

The seniors enjoyed themselves very much and represented the Confederated Tribes very well. The seniors were able to share their concerns and enjoy the company of their peers and were also exposed to national issues that affect all seniors.

We in the Senior Program

believe that an active person is a happy and healthy person and so activities such as this are vital to our success.

Again, I thank you for helping make this activity a success!

Sincerely,
Wm. Gayle Rodgers

Intermountain school extends invitation

To the Editor,

Hi there. My name is Tony Thompson, I am a student at Intermountain School in Brigham City, Utah. I'm sending you this poster of our friendship days powwow and

asking you to put this poster up somewhere, or if you can put it in your paper of the Tymoo and tell the readers of the Tymoo that our school is closing and the school is putting on this powwow. It will be our last powwow at Intermountain

Indian school and we want lots of visitors to join in with us and celebrate one last time. We would appreciate it if you can help us out.

from,

Please return personal items

To the Editor,

On Sunday, April 8th my mother (Charlotte Shike) was sitting on the bleachers in the Community Center watching the final game of the Cottontail tournament. Some thoughtless and selfish (or very desperate) person stole her purse right out from under her. She doesn't care who did it now, but you know who you are, and she'd appreciate it very much if you can send back her belongings that are unnecessary for you—alot of her items are very necessary and much needed (not to mention the items that are of sentimental value). She

doesn't care who did it anymore, she just wants her purse back—no questions asked. If you must return it anonymously, please send her purse to Mina Estimo at the

Community Center, or to Ray Shike, Sr. at the Police Department. Thanks very much for your attention.

Thank you,
Mina Shike

Honors and gift were given for Don Maxwell at a retirement dinner given in his honor at the Agency Longhouse.

To all the people of Warm Springs:

I wish to say Thank you for a memorable Retirement Party. A special thank you to the speakers and all the committees who worked hard to make this special event happen. And thank you for all the priceless gifts to me. These will be cherished all my life.

But most of all thank you for

your trust and friendship. My years with you have been happy ones.

Sincerely,
Don Maxwell

P.S. I wish to say thank you, too, for what makes my husband happy, makes me happy.

Support, love appreciated

To Our Family and Friends in Warm Springs:

As the family of Rudolph B. Garcia we would like to express our deep appreciation for the support and love and understanding that you gave us at the funeral of our father and brother. The ceremony at the Long House and the dancing and drumming and the delicious food were most appreciated.

Although Rudolph was not a resident of the reservation, we know he will rest in peace there

with his sister Priscilla. Thank you again for your efforts to make a sad time in our lives more bearable.

Sincerely,
