You say you love me, but sometimes you don't show it. In the beginning you could not do enough for me. Now you seem to take me for granted. Some days I wonder if I mean anything to you at all.

Maybe when I'm gone you'll appreciate me and all the things I do for you. I'm responsible for the food on your table, for the clothes you wear, for the welfare of your home, for the thousand and one things you want and need. Why, if it weren't for me, you wouldn't have the car you drive.

I've kept quiet and waited to see how long it would take for you to realize how much you really need me. Cherish me. . . take good care of me. . . and I'll take good care of you.

Who am I?

I'm your job.

To my wonderful friend Les.
We have been friends from the first day we met. Our friendship brought us love and marriage. I hope, I'll always be a wonderful friend, and to show kindness to you, as you have been to me. For kindness, is the fountain of our happiness.

Much Love,
Nequatewa

Happy Valentines Day Lily Ann,

To the sweet girl I married and worship, I thank you today and forever with all my heart for giving to me all our memories of yesterday, of all your love and faith today, and of all our dreams to come true tomorrow.

For everything a husband could ever want and more, I again promise to you all my love forever
Your Valentine,
G.W.

Dreamer of Mine
Is it because
you see worlds
of tomorrow?
Is it because
you see beauty
not sorrow?
Is it because
you see Death
without fear?
Is it because
you see ways
you never knew?
Is it because
you see trails
the Eagle flew?

You will always possess
the key to my heart
Love Honey

From my heart to you—
The two of you are sweet—
sometimes
The two of you are good—
sometimes
But no matter how good and sweet
you aren't sometimes
I wouldn't trade you for a sack of dimes,
anytime
Mom

Charlie Littleleaf; still after 18 years you make my
legs turn to butter and my heart a flutter.
Love always, Whitedove

Beverly Ann Whitedove, you make my heart soar
like an Eagle, even after 18 years, in the same teepee.
Love, Charlie Littleleaf.

The two of you argue, squabble and fight
And you cause me to worry at night.
I hear each of you complain that the other is being
mean and unfair
But in reality, the other only truly does care.
As you grow older and more wise
You will learn that your sister is kind.
To earn your approval and your favor
She will do anything that you will savor.
Please be calm and be patient with her,
You'll never have another sister.
One day you will realize and see
That your sister is not the ogre she appears to be.
I love you,
Mom

Roses are red, violets are blue
I love you Aaron and Lil' Chief
(In spite of what you do) thru and thru
Roses are red, violets are blue
To my husband, keep preaching the word
Because its beginning to come through
(PS. I love you)
Roses are red, violets are blue
to the staff at the Radio Station
You're weird but fun to work with too.

To all you people who read this
God loves you!
