Monica Wahnetah, will be participating in the 100 yard hurdles at state. She won the event at the district meet which was held in Milton-Freewater last weekend.

Wahnetah, a steady point producer all season long for the Buffs in the Hurdles and high jump which kept the Buffs in contention right along. This is the second year for Monica to win the high hurdle event at the district. There are some good times turned in throughout the state in the hurdle event so Monica will have her work cut out

for herself at state.

## Competition tough at Tygh Valley

Gone are the days of the wild and wooley wild horses that used to come right off the range of Warm Springs to give the spectators the wild action of stock never have been in captivity before, which made the All-Indian rodeo what it is today.

Never the less the competition was tough as usual at this years Tywama All-Indian Rodeo which was held in Tygh Valley, Oregon on May 17th and 18th.

Jerry Sam of Omak, Washington, was named the All-Around champion this year and he was presented with a trophy saddle. The cowboy to win the all-around title had to place in both a timed and rough stock event. There were very few who were really in contention for the all-around title.

There were 256 entries in all the events that took place from all parts of the Northwest. I'm sure that cowboys outnumbered the cops just a little bit...not very much though.

In the first go round in bareback riding Shane Olney and Gary Sam scored 69 points to top all riders for the day. Shawn Best and Wilfred Tuni each scored 67 to split 3rd and 4th for day money. In the second go Wilfred Tuni scored 69, Freddie Blackwater 68 and Frank Paz 67. The average winner was Wilfred Tuni score 136 points on two head, second Shane Olney 132 and third Terry Parrish 131.

In the saddle bronc competition it was all Jerry Sam as he scored 71 the first day and 76 the second day to that event. The first day, second place was split three ways as all riders scored a total of 66 each, they were Terry Parrish, Rayfield Kelly and Shawn Best. In the second Elwood Hinkey scored 69 for second, Terry Parrish 67 for third and Marvin Garcia 59 for fourth. The average Jerry Sam 147 on two head for first, Terry Parrish 133 for second, Rayfield Kelly 128 for third Elwood Hinkey 69 for fourth.

The bull riding was tough as the word goes. Roy Begody scored 83 to win the event. Dave Best 70, for second while Freddy Blackwater and Bill Tonasket each scored 68 to tie for third. Tom Best and Alan Flett both scored 67 for a split fourth.

The barrel racing was just as tough as a bucket of nails with all the girls making fine runs with their fine horses. Winning the event was C.R. Squiemphen of Warm Springs with a time of 18.84, second

was Lorraine Garcia with a time of 19.28, Shannon Williams and Betty Sampson each had a total time of 19.31 to split third place. There were 25 entries in the girls barrel racing and several from Warm Springs.

The calf roping saw Garret Spoonhunter rope and tie one in 10.89 for day money, Robert Hicks had a time of 13.97 for second and Todd Cline 16.10 for third. The second day Ed Harry tied one in 11.47 for first, Dennis Dahl 12.27, second Cort Herrera 13.89 for third. The average went to Garret Spoonhunter with a total time of 29.15 on two calves. Second Dennis Dahl with 36.27, and Ed Harry third with 42.56.

The steer wrestling saw Melvin Joseph wind one to the ground in 5.13 for first, second Robert Hicks 7.16 and third Cort Herrera 7.20. The second go, Cort Herrera downed one in 5.00 for first, Mel Joseph had a 5.60 and Ron Luke and Anson Jon Begay each got a 9.40 to split third. The average Mel Joseph on two head had a total time of

10.73 for first, Cort Herrera 12.20, John Hammack 20.97 for third.

The wild cow milking usually provides entertainment for the spectators of course is a tough event especially for the mugger who has to contain the cow while the roper milks the cow and run across the arena to the time flagman. The bottle must have milk or otherwise there is no time. The rope must be completely off the cow as the roper crosses the line. George Adams, Jr. of White Swan roped and milked a cow in 18.20 to take first place, Jerry Sam second with a time of 43.50, Roger Fiander 44.64 third Terry Parrish 47.00 fourth, Mel Joseph 52.60 fifth and Gordon Scott 59.50 for sixth.

The team roping saw Gilbert Temoke and Pat Tafoya rope one in 8.44 for first, Ralph Rogers and Todd Cline 8.45 second, Bob Joseph and Mel Joseph 8.54 for third, Dennis Dahl and Garret Spoonhunter 8.77 for fourth and Thumper Miller and Sandy Miller rope one in 9.00 for fifth.

Well they say, "It's the wildest

Jerry Sam on the bronc that gave him a winning score during the Tywama All-Indian Rodeo at Tygh Valley this past weekend.
