White Buffaloes victorious over Vale— Buffs wear GOL crown

The game with the Vale Vikings wasn't as easy as going out and raking the leaves on a sunny Sunday afternoon but the Madras White Buffaloes boosted their chances for a state play-off spot by beating Vale 21-0.

Statistics wise in the running game, Vale had quite a night with their speedy running backs, but through the air the Buffs made up for the difference. When the game was all over, yardage for both

teams were separated by just a few. The Buffs got real tough on defense as time and again the Vikings drove right into scoring position but lost the ball on downs to the stubborn Buffalo defense. Senior linebacker Butch David was instrumental in stopping the tough Viking drives. David was around when the tackling was being done, if he was not the initial tackler, he was right there assisting, he played one heck of a game on defense. The great defensive play by David all season

long has gone by unmentioned. Other outstanding players in the game were lineman John Katchia and Gilbert Brown, both carrying a 230 pound frame opening holes for the ball carriers and protecting the quarterback on passing. These guys, behind the scenes make a great team, also made the ball carriers look good.

The Buffaloes, by winning the game, kept their state playoff hopes alive and also won their homecoming

game. This was the last appearance for the seniors in front of the home town fans. The score shows that it was a shut-out 21-0, but Vale was here to play ball and gave Madras all it could handle before bowing to the fired up Buffaloes.

Madras hit pay dirt early in the second quarter when Chris Lytle pounded his way through on a three-yard run. A kick by Lytle put the Buffaloes out front 7-0. It was the running of McGuire that kept the defense on their toes and opened the paths for the other ball carriers. Double teaming Tony Stacona every time he went down the sidelines opened other receivers for short gains. Later on in the second quarter Todd Beamer cut loose with a long bomb and connected with Stacona for a 53 yard TD strike. Even though he was well covered by Viking defenders, Stacona managed to pull the ball in and run untouched for the touchdown. Another kick by Lytle put the Buffs out 14-0, at the half time intermission.

In the final quarter, as time was running out, Beamer faded back and threw a pass to Todd Warner who went into the end zone for the final tally for the night, a third kick by Lytle iced the scoring for the home town Buffs as they went on the post a 21-0 win over their arch rivals the Vale Vikings.

The next stop will be at Baker for their first meeting on the grid iron between the two schools. The game time will be 7:30 MST, on Friday, October 31, 1986, for the final league game of the season. A win could send the Buffs to a state play-off-spot.

The Baker Bulldogs were no obstacle for the hard charging White Buffalo football team on their trek toward the state playoffs.

If there were any pre-game jitters the Buffs shook them off somewhere between here and Baker. The Buffs took the opening kickoff and done just what a championship team should do and that's to score points. The first score came from a long pass from quarterback Todd Beamer to tight end Brad Wiles with just a few minutes into the game. The kick failed but the Buffs were up 6-0 over Baker. All during the night there were six different players who scored one of the seven TDs. Tony Stacona was the only one who scored two of the Buffs TDs. Both scores came from passes from Beamer the first a five yard strike and the second was a 25 yard pass where Stacona went into the end zone untouched.

The White Buffaloes led at the end of the first quarter 21-0, they added 15 more points in the second quarter to give them a 36-0 lead at the halftime intermission. Whew! am I dreaming? Well that's just the way things went all evening long. In the third quarter the Buffs rounded out their scoring with 13 points giving them the lopsided victory. This win gave the Buffs a big boost in their moral. They will need this going into the play-offs on their next stop.

The defense rose to the occasion once again stopping Baker cold in their tracks, allowing them just one first down in the first half. Each time they unpiled the tacklers there

again was that No. 44 jersey of linebacker Butch David as he was right in the thick of things all evening long. Todd McGuire and Tony Stacona did exceptionally well on defense right along with the big boys up in the line like Clark Hulsey, Shane Gomes, Gilbert Brown and John Katchia. It was just a great team effort who spoiled the homecoming game for the Baker Bulldogs. The struggling Bulldogs tried everything they knew but the Buffs had everything closed.

This sort of avenges two prior losses to the Baker Bulldogs, the first in 1963 when Baker came to town and posted a 6-0 win and the following year beat the Buffs 24-6. The Madras White Buffaloes at the start of the season were not among the favorites to win the GOL title. To some of the experts the first two lessons spelled defeat and a long road of rebuilding. To others, they refused to blame the loss from a poor team. Those two tough games at the beginning of the year were just what the doctor ordered. From then on the Buffs got tougher game by game. One of the big turning points was the overtime win over the highly rated Ontario Tiger team. That was the only loss for the Tigers in league play.

On Saturday November 8, the Buffs host the Gladstone Gladiators here on the home turf. Game time slated for 1:00 p.m. The first of the state play-offs games. The Glads are no one to take lightly, well any team that reached the play-offs are no pushovers.

Linebacker Butch David coming off the field after the defense stopped the Vale Vikings, forcing them to punt.

The action was wild and furious in the game between the Vale Vikings and the White Buffaloes. The Buffs won the homecoming game, 21-0.

Buff Boosters near goal

The Buff Boosters have been raising funds through fundraising events and contributions for a new scoreboard at Madras High School.

The scoreboard that has been ordered for the High School costs \$5,300. By organizing fundraising events the Buff Boosters have raised \$3,000 with the help of those individuals who attended these events. The contributions that have been received were: \$500 from the Confederated Tribes of Warm Springs; \$500; from the student council and

\$800 from the Kiwanis. The remaining amount of funds needed is \$500. Future fundraising events by the Buff Boosters will be used to replenish general funds.

The Buff Boosters meetings are regularly held the first Thursday of each month. The month of November will be an exception. This month's meeting will be held on November 13, 1986 in room 1 at Madras High School at 7:30 p.m. December's meeting will be regularly scheduled for December 4, 1986 in Warm Springs.

Community Center Calendar
