### Wax removal hint given

If the holiday season left you with candle wax on your carpet, you can remove it by scraping off as much as possible then put a brown paper bag over the wax and run a hot iron over the bag. This acts as a blotter and absorbs the wax!!

Jim Macy was the winner of our last Geo Quiz by guessing its exact location as being just as you drop into Dry Hollow on Jackson Trail road at mile post 6. ## Christmas season celebrated in joyous manner

This year the Christmas season in Warm Springs was celebrated by children who caroled in the halls of the Tribal offices, the children who gathered to entertain their parents at the annual school Christmas program with songs of the season, the program sponsored by the Community Center and performed by community members and by carolers who went from house to house lifting their voices in songs of rejoicing.

For some, it was having family members home for the season's celebration. And in Warm Springs the season's spirit could be seen on many faces.

For Benson Heath it was earning the "Bah, Hum Bug" title held at the Tribal Offices and for Cecil Conner it was coming in second in the contest.

For many it was a day spent with family and for some it was a quiet day to reflect on the past year.
