### Bufs place second in tournament

The Madras White Buffaloes are off to another start in search for the Greater Oregon League championship in basketball. So far they have a 2 win and 2 loss record. Their first loss came from the hands of the Columbia River Bruins of White Salmon, WA. They returned home to play another non-league game downing the LaPine Hawks. During the holiday tournament just recently they had two very close games. First they just squeaked by the Crook County Cowboys 49-47, after jumping off to a good lead in the first half. At the end of the first quarter the Bufs held a slim 8-5 lead but then extended their lead to 21-8 at the intermission period. In the second half the Cowboys made their move to over take the Buffaloes out scoring the Bufs 16-12, and a bit closer to the lead. During the final period of regular play they again outscored the Bufs 23-15, thus tying the game with just ten seconds left. The Bufs put the ball in play and with just four seconds remaining on the clock the Cowboys fouled Curt Cosgrove where he hit both ends of a one and one situation and to win the game. Buster Stoddard led the Buffaloe attack with 20 points for the game. Along with his winning free throws Curt Cosgrove added 12 points for the winners. Jeff Cordill 8, Steve Cordill 6, and freshman Eric Peterson 2 and Paul Williams 1.

Doug Hild led the Cowboys scoring with 26 points with four three pointers during the game. Channess 8, Aron Kenney 4, Jason Richards one basket and it was the three pointer that tied the game, Bryan Ostrander and Elvin Fitzgerald each two apiece.

On Sat. night the Henley Hornets burned the Crook County Cowboys 82-64, behind the sharp shooting of Greg Gornish who burned the nets for 24 points, followed by Chad Wilder with 18, Chris Tomsen

17, Todd Cruz 10, Jon Ireland 9 and Dave Barnett 4.

In the final game for the championship the Buffaloes had a good first half although the score was tied at the end of the first quarter at 12 each. In the second quarter the Bufs out scored the Columbia River Bruins 16-8, to take a 28-20 halftime lead. In the second half the Columbia Bruins out scored

the Bufs in the third period 17-12 to cut the lead to three points at 40-37, they also outscored the Bufs in the final quarter 12-8.

Its the second half that catches up with the Bufs as they were out scored in both games in the second half. This was a much closer margin the Bruins beat the Bufs at from the first meeting between the two teams. Steve Cordill led the

Bufs scoring with 11 points, Curt Cosgrove 10, Paul Williams and Buster Stoddard each nine apiece and Casey McKenzie 2. Leading the way for the Bruins was Scott Shellman with 18, Alex McClain 12, Curt Eccles and Chad Russell six apiece and Scott Nielsen 2.

On Tuesday night Bufs traveled to meet The Dalles Indians in another non-league game. Results were not available at press time.

### Coach recaps elimination tourney events

To the Editor,

This tournament gave us a chance to work on a few minor flaws, before the regular season begins, mainly the conditioning, being our first tournament of the season.

Many people and the teams in the tournament could not figure why we had to be in the elimination. Being the 1987 National champions. It took me as a player-coach four NIAA Nationals too finally win it, and six years to beat one of the best teams in Indian basketball Vermillion, South Dakota or now the N.D. Warriors. The four time defending national champions and still one of the top competitive teams in Indian ball.

Whats so fantastic about it we did it with N.W. players. Combin-

ing as one unit with no super stars, winning as a team over some of the best teams around. Gaining the respect from other Nations, in Indian basketball as a team to be reconed with when in full strength. We never win them all, but its a lot of fun trying. As long as we make the final four we're satisfied, in tournaments we enter.

Being considered an Indian power in basketball competition, more teams play harder against us and usually were put in the tougher part of the brackets.

Which is great for us, gives us a better chance to learn from our losses. That way in most tournaments you get by the competition, then its time to go for the gusto, the championships. We never take any team lightly. Its good to meet new com-

petition every year. These new teams no matter how strong or weak is what keeps Indian ball going.

Our first game in the elimination tourney was a practice fun game 115-43 against a make up team. Something to loosen us up for the competition in the tournament. The second game against Dalles Blackwolf, which I thought should of been the championship game, was a good work out. Their a competitive team who has come a long way these past couple of years, and a team to be reconed with in tourney competition. We went on to defeat them 108-83 in the end.

The championship game against Granger, Washington would of been better game if they came in full strength, they ended up with an iron five. In the first quarter it was

a 24-24 tie. While we played a zone defense against them. We got together and decided to put them away. At the half had a 30 point lead, at the end of the 3rd a 47 point lead, the opposing team kept pleading too me to drop back into a zone, for the game was humiliating to them.

So in the 4th quarter we just started giving them points so the audience wouldn't get bored any more than they were. We still ended up winning the game and the tournament 130-100. Our all-stars were Jerome Davis and James Scott. MVP Chuck Fremont.

### Students to compete in Munich run

Two Madras High students will participate in the Munich New Year's Eve Olympic Run in Munich,

Germany, January 1, 1988. Jabbar Davis and David Hoaglin have both accepted an invitation extended

by the International Sports Exchange. Every year the Sports Exchange

takes athletes abroad for international competition and the opportunity to learn about foreign cultures.

The 10,000 meter race is an annual event in Munich and the students will be competing with other students who have also accepted an invitation.

The only requirement beside being a top-notch runner is that the students finance their own trip, says Madras High School track and cross-country coach Dave Randall.

Davis is a cross-country runner, is a sophomore. He's been running since the seventh grade. His parents are Anita and Tony Davis. He is currently participating in the basketball program at the high school.

Hoaglin is a sophomore and a member of the MHS wrestling team. He is a member of the track team. His parents are Marty and Carl Markgraf.

Students from the United States will stay in a hotel together and tour West Germany and Austria as a group. Their two week stay will take them to Nurnberg, Rothenburg, Salzburg, Austria, and Bavarian Alps and Heidelberg.

The \$1,800 cost of the trip for each student does not include personal expenses. Both Hoaglin and Davis are still working on that. Donations will be accepted. The two are also willing to purchase items for anyone who wants something in particular from Germany
