"Spilyay Speaks"

Time waits for no one, it just moves and on and on. The only thing a person can do is cling on to the memories of the past. There are all kinds of memories that we want to never forget... some may be sad, some may be bad, and there are the happy times we don't ever want to forget.

Here in Warm Springs, during the year we've all experienced both sad and happy times. We have all shared the sadness of lost loved ones, but these are things we can't do anything about, because as time passes we all have to face that time...the end of the trail so-to-speak. But for the present we should all share the happiness with one

another. There are all kinds of ways we can celebrate. From these good times a person will always have happy memories to fall back on.

During the year of 1987, as we reflect back for the past 12 months, it wasn't the best year ever, but there are a lot of events that are worth the effort not to forget. We here at Spilyay Tymoo try to do the best we can in presenting the happy times of events that happen around here. We want to feel just as much a part of what takes place around here as can, as in the past we have covered as much of the celebrations as we can even if its a small wedding up to the Pi-Ume-Sha days. We try to have as many local faces in the news as possible. There are times when we couldn't cover some functions in the past and I apologize for those times.

So, now a year is upon us once again and we must make all of those New Years resolutions, keep our nose straight and hope for the best, because no one knows what these next 12 months will bring. This is just a message to wish every one a Happy New Year.

Local craft show set

A special arts and crafts show featuring local people is planned for May 14, 1988 at the Warm Springs Community Center, according to coordinator Shirley Sanders. The theme for the one-day event is "Sharing of local talent." Items will be displayed for selling,

trading and showing. Sanders said the show will be strictly a volunteer show. She is looking for community people who would be interested in assisting as members of committees. If you are interested contact her at 553-1769 or Elton Greeley at the Community Center or call 553-1161, ext. 302.

Items accepted for the show will be oil paintings, acrylic paintings, water colors, ink drawings, quilts, beadwork, basketry, silver smithing and Indian jewelry, pendleton blanket coats and jackets, carving, Indian ornaments, dolls, photography, pottery and music.

Election set

A meeting will be held for the election of officers for the Serenity Lane Alumni Association on Tuesday, January 5, 1988 in the 4-H room located in the basement of the Old Boys Dorm. The meeting will start at 5 p.m.

For Sale: 1987 Ford Thunderbird, L.X. 302 fuel injected V8, cruise control, power windows and seats, AM/FM stereo cassette tape player, w/six speakers; leather interior, a set of four extra tires. Call 553-1644, between 8-5 p.m. or after 5 p.m. call 553-1328.

Toe Ness

This guy said, "My wife and I just celebrated our Tin anniversary, 12 years eating out of cans." YIKES

SS SS SS

The way my wife looks in the morning, "Wow!" She ran after the garbage man and said, "Am I too late for garbage?" He said, "Nope, jumpin!" YIKES

SS SS SS

Nadine Scott learns to cut meat during cutting and meat-drying class held at the Agency Longhouse. The same class was held at the Simnasho Longhouse. Meat will be used for ceremonial dinners and distributed to elders.

Doctor plans health talk

On Monday, January 4, 1988, Dr. Daniel F. Brown will be preparing a discussion on "Contemporary Women's Health Issues" at the Madras High School. Dr. Brown, an OB/GYN specialist, will discuss such topics as breast cancer screening, women's nutrition and endometriosis. An active Fellow of the American College of Obstetricians and Gynecologists. Dr. Brown recently began seeing patients in Jefferson County at the offices of the Madras Medical Group. The presentation by Dr. Brown,

which is being made before the Madras/Jefferson County Branch

of the American Association of University Women, is another in the series of monthly public health education forums sponsored by Mountain View Hospital and Nursing Home.

The talk will begin at 7:30 p.m. in the high school library, 650 10th Street, Madras.

The public is invited to attend. For more information, contact Cathy Luther at 475-3882.

Shadow life of community often behind closed doors

To the Editor,

How is life in Warm Springs? Did you know that it is estimated that six out of every ten adults on the reservation are affected by some form of addiction to alcohol, illegal drugs or prescription drugs? Even if it was five out of ten, that would mean that out of 1,500 adults, there would be 750 people who are not in control of their lives. The future of Warm Springs is the children. It is estimated that five out of ten children use alcohol. So, for adults and children, that is 1,500 out of 3,000 who are not in control and it is estimated that another two out of ten are on the line. That leaves 900 folks, men, women and children, who can social drink, are too young or just don't drink. That means 900 versus 2,100; something to think about for the future of Warm Springs.

For me, the future is today. Let me explain—I have just begun to volunteer with the Fire and Safety ambulance crew. In this short time, I have experienced one of the shadows of lives in Warm Springs.

It is a life that is, for the most part, confined to the inside of homes. As I walk into a home carrying a medical kit or oxygen tank, I have seen the shadow by the beer cans or the people who sit and watch, still drinking from their cans, as the ambulance crew rushes in. It is these people, under the care of the trained EMTs, who insist they only drank a "couple" of beers. The shadow has caused them to be victims of violence, accidents or self-triggered illnesses of their hearts or diabetes.

I commend the keep in prayer the men and women who, at times, must step into this life. The EMTs and police are the ones who go and seek the victims, and who, at times, must stop others from hurting themselves. They must protect the victim from others and are sometimes required to protect themselves while giving aid to the victim. This is one of the shadows in the lives of Warm Springs. Let us pray for the life and the future of Warm Springs.

See you in worship,
Pastor Rick Riberto

Radio advertisers recognized by station

The following businesses and individuals have supported KWSI FM through advertising. The Warm Springs Tribal Council would appreciate your support and patronage of these merchants. The businesses are listed in alphabetical order.

Classes help fulfill student's dream

A lifelong dream is coming true for Colleen Arthur. Colleen has always wanted to pursue a career in forestry and now, she is on her way to fulfilling that dream by taking COCC college credit classes being offered each term in forestry. Says Colleen, "I took my first class in forestry last fall, now I am hooked! I am taking a class every term from now on. I enjoy being with the other students in the class and the learning that goes on."

Logging methods, a three-credit class that fulfills associate degree requirements in forestry will be offered this winter term. The class covers falling, bucking, yarding systems, decking, "horse to helicopter" loading, trucking and unloading. On-site field trips to logging sites and mills are also included in the class. The class meets Tuesdays and Thursdays from 7 to 9 p.m., at the Old Boys Dorm. Classes begin on January 5th. Tuition is \$64.50. The instructor is Rick Kraus. People who wish to register for this or any other community education class should stop by the COCC office as soon as they can.

Colleen Arthur
