Bufs victorious in GOL opener

After much confidence by some of the fans there was some doubt if the Bufs would pull this game out as the Burns Hilanders were able to take over the lead with just a few minutes remaining in the game on Friday night as GOL league play got underway for both schools.

Late in the final quarter Gary Lee of the Hilanders hit two consecutive three point baskets to put Burns in the game and they held the lead for a few moments. With the score tied and just under two minutes left in the game the Hilanders started to play keep away and try to get the sure shot. The Bufs intercepted one of their passes and went down for a layup to take the lead once again. Burns tried for another three pointer this time the ball missed the mark and the Bufs controlled the rebound. From that point it was in the hands of the Buffaloes and Burns had to foul to get the ball, but the Bufs were sure at the foul line and made three in a row while holding the Hilanders scoreless in the last minute of play thus giving them a 57-52, basketball win.

The Bufs outscored the Hilanders in the first quarter 18-10, but in the second quarter the Hilanders

came right back to score 12 while the Bufs could only get eight points, closing the gap a little for the Hilanders at half time.

In the third quarter the Bufs came out with a little spark in them to out score the Hilanders 20-16, to build up enough lead to ward off the last quarter surge by the Hilanders as they scored 14 to the Bufs 11, but that was not enough to overtake the lead from the Bufs. Steve Cordill let the scoring for the Bufs with 14, followed by Aaron Schneider and Buster Stoddard who each scored 12 apiece. Curt Cosgrove and Jeff Cordill added six apiece while the lone freshmen Eric Peterson got one from the free throw line.

The leading scorer for the Hilanders Gary Lee and Sam Jordan as each connected for a total of 15 points apiece, David Henry 10, Pat Moss 8, and Jeff Chambers and Jeff Wilson each scored two apiece.

On January 16, the Bufs will travel to Milton-Freewater to tangle with the highly rated Mac Hi Pioneers. The road is still long and tough toward the state tournament, and this year there might be some good games in the GOL, in the likes of Ontario, and Baker.
