To my Sweetheart,
"If you will be my Valentine 'n'
Stuff like that,
You'd never have to give me
Chloroform For A Kiss..."

To Dawn,
Your teenage ways are driving me nuts!
There are so many if, and's or but's.
You want to grow up so fast And you
can't seem to let things pass.
But no matter how ornery you can be
You'll be the girl who's a big part of me!
Love,
Hubbard

Lucas,
As Time Goes by,
We help, protect and care for each other
We learn, grow, and teach each other
We share our joys and our sorrows
As Time Goes by,

Our hearts become stronger
Our lives become richer
Our dreams become closer

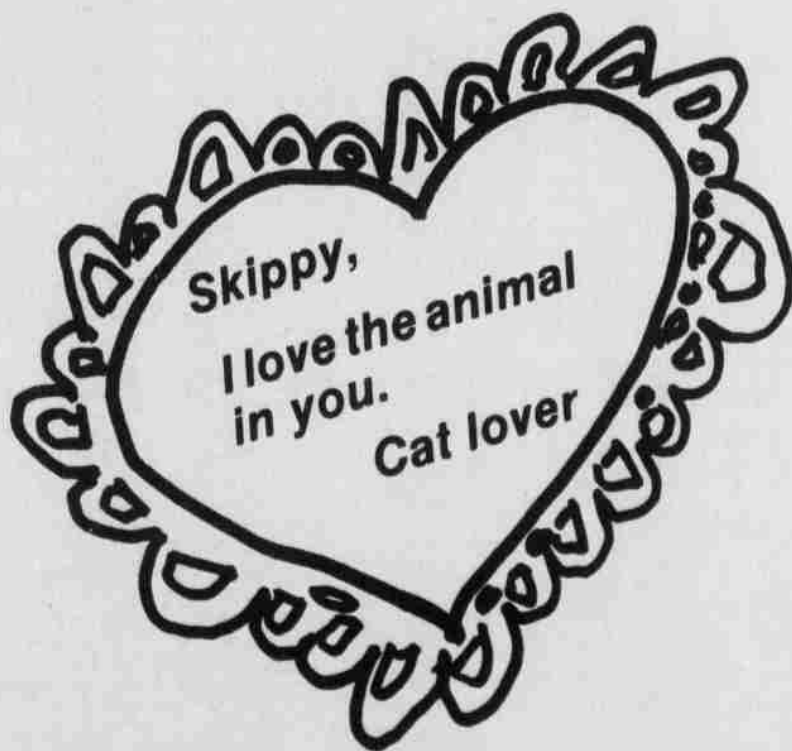

As Time Goes by,
You listen and hear
You laugh and smile
You shall love, and be loved...

....As Time Goes By
