Remo Smith of the Buffs is setting up a play against Vale in the Greater Oregon League game. Madras went on to win the game and up their standings in the league.

## White Buffaloes top Nyssa

The Madras White Buffaloes evened their league standings to a 3 win and 3 loss record on Sat. night Feb. 6, as they posted a 62-51 win over the Nyssa Bulldogs here on the home floor.

The Buffs were never in any trouble throughout the game leading 18-10, at the end of the first quarter and 36-21 at the half. The Nyssa team came out strong in the third quarter to out score the Buffs 20-14, but with the lead the Buffs had built early in the game kept them out in front. The Buffs settled down in the final quarter to out score the Bulldogs and take the win.

Paul Williams the Buff Jr. forward was the top point producer for the Buffs with a total of 14. Schneider and Jeff Cordill each scored 12 apiece. Steve Cordill and Buster Stoddard each added 8 points apiece. Curt Cosgrove 6, and Jabbar Davis 2 to round out the scoring for the Buffs. The Buffs had a total of 12 fouls during the game and they were only four out of 11 at the free throw line. Free throws are important, sometimes games are won or lost at the free throw line. Nyssa had 14 fouls whistled on

them during the game, they were 6 of 13 at the free throw line for a little better percentage at that department. Sloggert and Scott Bullock each scored 14 points for the losers while Barney Buker added 12, Ron Talbert 6 and Jensen 3, Eric Knothe 2 to round out the scoring for Nyssa.

The Buffs travel to Burns for

their next game with the Hilanders for the return game. In their first meeting the Buffs won the first game, but the Hilanders, no matter how low they may be in the league standings they spell trouble on their home court. Mac Hi, Ontario and Baker still have to come to Madras and all three teams are a threat and could cause trouble for the Buffs.

## Buff girls top Lava Bears

The Madras White Buffaloes were rolling right along knocking off teams one after another, teams who are rated higher than themselves. First they went down to The Dalles and won a close game there, next they traveled to Hood River Valley and beat the Eagles on their home floor. Both games were close as the Buffs managed to pull out the wins. Then the Bend Lava Bears the AAA threat in the Inter-Mountain league, came into town, but the Buffaloes were able to close the door on them and take the victory.

All these teams have a good record as The Dalles and Hood River Valley are rated high in their own league, while the Bend Lava Bears are holding their own in the Inter-Mountain AAA league. As Bend rolled into town things looked bit gloomy for the Buffs, especially during the JV game as Bend was ripping up the Madras girls while a lean and calm varsity team sat in the stand watching the game. During pre-game warm-up the Bend team looked smooth and well balanced and that the Buffs were in for a long night. The Bend girls may have taken the Madras Buffs a bit too lightly while the Buffs were trying to get any break they could during the game.

It was a matter of running out the clock for the Buffs to notch a victory over a well balanced Bend Lava Bear girls basketball team. This happened on the Buffs home floor on Feb. 2, 1988. The Buffs got the jump on the Bend Lava Bears which appeared to get them a little off track and somewhat rattled as Jenel Wiles canned three buckets, Angie Namenuk got two field goals, Christel Leonard added a field goal and was two for two at the free throw line, while Emily Rolls added a field goal and was one of two at the free throw line to give the Buffs a 17-9 first quarter lead.

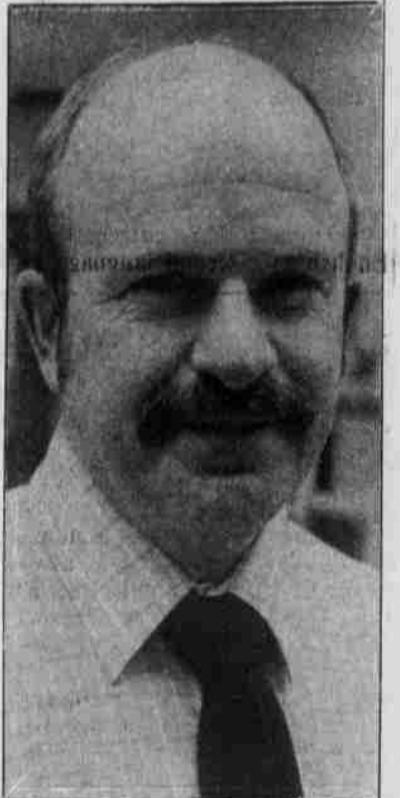

During the second quarter the gym echoed with whistles as officials were calling fouls galore. The Buffs came away with 9-13 at the free throw line to Bends 4-8. The Lava Bears out scored the Buffs in the second quarter 16-15, but the eager Buffs held a 32-25 half time lead.

In the third quarter Laura Snow was found open under the basket time and again and scored four baskets from heads up play of Christel Leonard as she managed to get the ball to Snow for the easy two. Rolls added two baskets while Jenel Wiles added one as the Buffs continued to hold on to the lead.

The Bend Lava Bears battled back to close the gap to a single point and just a few seconds remaining in the game. Christel Leonard was fouled and she calmly sank a pair free throws to give the Buffs the three point lead. The Lava Bears make two desperate attempts on two three points shots to try to even the score but each time the ball bounced away and time ran out giving the Buffs the victory.
