

Social Security improves telephone service

"The Social Security Administration has improved its telephone service for the residents of Central Oregon," said Kathleen Young, Social Security Manager in Bend recently.

Anyone who has had to pay a long-distance charge to call Social Security can now call without cost by using the toll-free number 1-800-234-USA (1-800-234-5772). In addition, the hours people can call have been extended.

With the new toll-free number, anyone can call 24 hours a day. Calls between 7 a.m. and 7 p.m. each business day will be answered by a live operator, and, at other times, a caller can leave a message which will be answered the next business day, or at a time convenient for the caller.

Young said that callers should find SSA's new toll-free telephone service especially convenient when they need to change a mailing

address, obtain their earnings record, or make an appointment to apply for benefits. All calls in Central Oregon to conduct Social

Security business should now be made using the new telephone number.
