Last minute TD sinks Buffaloes

It was a good night for a football game as the White Buffaloes played their last game of the season hosting the Ontario Tigers Friday, October 4. Even though there was no hope of any kind of a chance for a play-off spot in the GOL. The best they could do is to end the season with a good record for the year.

Although they were the heavy underdog to Ontario, the Buffs made a good game out of it. The Ontario Tigers, who have already clinched a spot in the play-offs as the number 2 seed from the league, and are off to state no matter how this game came out. The Buffs make a good showing for themselves by getting on the score board first and almost held on to upset the Ontario Tigers...scared the pants off of them. The Buffs got the ball and marched right down the field to score the first TD of the game as Jason Harris went cracking over from the one yard line. Todd Thawley ran in for the two point conversion and the Buffs were out in front 8-0. Ontario

was able to get a score and a try for two points failed so the Buffs led 8-6. In the second quarter the Buffs were able to score again this time it was Joel Martinez who punched his way over from three yards out, a pass for the extra points failed. After a couple of exchanges with the ball, Ontario was able to score on a ten yard pass from quarter back Shipp to Kram and a pass for the conversion failed leaving the score 14-12 at the halftime intermission.

On the kickoff to start the second half, Joel Martinez picked up a fumble and scampered 25 yards untouched to score and the conversion for two points failed leaving the score 20-12 in favor of the Buffs. From that point on it was a defensive battle between the two teams until late in the last quarter Ontario intercepted a Buff pass in a good field position and scored leaving the score 20-18. With time running out and what appeared to be a big upset sort of fired up the Tigers who marched down the field

once again, Reemo Smith intercepted a Shipp pass but a pass interference nullified the interception giving the Tigers a first down near the goal line, and with 14 seconds to go, Ontario scored as Shipp kept the ball and ran in from one yard out. The kick was good to give the Tigers a 25-20 lead.

A lot of what-ifs popped up but they don't win the games, so the Buffs had to take it on the chin and lose their last game a heart break thriller. The statistics were pretty even give or take a little. Both had 167 rushing yards and each had 12 first downs. Harris piled up 73 yards rushing and one TD, Joel Martinez got 70 yards and two TDs, Thawley added 24 yards. In the passing Aaron Schneider connected on five of 13 passes with Harris catching four for 88 yards and Reemo Smith one for 17 yards.

The Ontario victory put the Buffaloes to a two win, four loss standing in the GOL and a 4-5 overall standing for the year.

As a team, the Buffs totaled nine sacks. They made seven interceptions, one of which lead to a touchdown. The team averaged 14.6 points per game and made a total of three shutouts this year.

Todd Thawley had 96 tackles, three sacks, one fumble and five kickoffs. Jeff Potter had 64 tackles, three sacks, one fumble and six

kickoffs.

Madras Buff volleyball team ends successful season

The Madras White Buffalo volleyball team completed its finest season under the helm of Margaret Sturza as coach.

This year the Buff gals tied the Vale Vikings for the Greater Oregon League title, as both teams ended up with identical records. Madras and Vale split their series in regular league play and in the playoffs for the number one seed from the GOL. Vale came out the winner.

The Madras Buff volleyball team was the first to beat a highly rated Mt. View team in central Oregon. At state during play at Lane Community College, the Buff girls were bumped out of contention by Coquille by the scores of 15-8, 9-15

and 5-15, dropping them into the consolation round. Their next outing they posted a 15-13, 10-15 and 15-5 win over Philomath to reach the consolation finals. At 8 a.m. on Saturday the Buffs were eliminated

from further tourney play by Clatskanie 15-6, 14-15 and 15-8. All hopes of bringing any hardware home from the state tournament were dashed.

After regular season play, Buff

girls were voted to the all-conference outstanding players and they were Laura Snow, Ellen Blincoe, Leslie Freeman, Christel Leonard and Janel Wiles. This was one of the best seasons for the team.

KWSI carries Blazer games

Radio station KWSI in Warm Springs is the newest addition to the Trail Blazer radio network. Operated by the Confederated Tribes of Warm Springs, KWSI will now carry all home and away games played by the Trail Blazers.

The station began its Blazer cov-

erage with the season-opening game against the Phoenix Suns on November 4. A satellite downlink has been installed at the station's facilities at Kah-Nee-Ta. Broadcast transmission is provided via the Galaxy II satellite.

The Trail Blazer radio network includes 30 stations and provides Blazer game coverage throughout Oregon and southwest Washington. The Trail Blazers are the only professional sports franchise with their own satellite network. The system was upgraded from a land line transmission set up in 1983 "to provide network affiliates and their audiences the best reception possible," according to Berlyn Hodges, vice-president of administration.
