WSE News

351 attend conferences

Thank you, thank you, thank you, Moms, Dads, Guardians, Grandparents, Aunts, Uncles and Cousins for attending your child(ren)'s parent/teacher conference on Friday, November 18! We appreciate the extra effort you make in helping us provide your child(ren) with a quality education.

Parent group forming

Several Warm Springs Elementary parents have talked to me about the possibility of organizing a parent group for our school. I think it would be a wonderful idea. I would enthusiastically accept this type of involvement of parents at our school. There is much that can be done to assist parents in helping their children to experience a successful elementary school experience. You, as parents, are just the right folks to provide this assistance.

Parents have an enormous influence over the growth and development of the children in the school. I am excited about the possibilities that this type of parent support can achieve.

If you would like to be a member of this group, please call me. I will put you on the mailing list.

Jane Westergaard-Nimocks

Outstanding citizens

November, 1988

- Kindergarten**—David White, Joseph Aguilar, Larrissa Napyer, Forest Tewee
- First Grade**—Rudy Paul, Reina Estimo, Nicole Jack, Pamela Saunders, Faron Kalama
- Second Grade**—Evaristo Antunez, Charles Chaplin, Jacob Harding
- Third Grade**—Michael Wainanwit, Lil Bull Suppah, Julia Rowland
- Fourth Grade**—Betty Lou George, Juanita Spring Majel, Charlyne Spino, Virginia Sanchez
- Fifth Grade**—Kelly Wewa, Jerome Culp, Jr.

Congratulations to you and your child. It was through your guidance and support that your children were able to become responsible citizens.

JOM Committee elects three new members

The Johnson O'Malley committee held a public meeting December 15 during which an election took place. Three committee members' positions expired and needed to be filled. These three committee members include Tony Suppah, Debbie Smith, and Shirley Green. They have been replaced by Sandra Main, Shirley Sanders, and Terry Squiempfen. Four committee members still remain and they consist of Shirley Heath, Anita Davis, and Aurolyn Stwyer.

The committee discussed the planning of providing a bulletin for Warm Springs high school students for travel assistance for five students to travel to the Native American Youth Conference in Portland January 13 and 14. Applications are available from Geoff Bury at the Warm Springs COCC center or with Marie Calica at Madras High School. The committee will decide at their January 5 meeting which students are selected to attend.

Following are the JOM membership rules.

Section II Membership

Article I The committee shall consist of no less than five no more than seven parents of certified Indian children who reside on or adjacent to the Warm Springs Indian Reservation, who possess an interest and concern for the quality of education being provided for Indian students and who have children enrolled in the school(s) affected by a Johnson O'Malley contract(s).

Article II The term of membership shall be for a period of (2)

years, beginning July 1.

(A) Public notice be posted (2) months prior to the expiration date for existing member(s). Indian community members who are parents or legal guardians of certified Indian children who are interested in serving on the committee can apply during that time. A public hearing at the end of (2) months will be held to elect new members for a (2) two-year term.

(B) Parent representatives will be elected by a majority vote of the participants at the public hearing.

(C) Membership terms shall be established on the basis of staggered (2) two-year terms with (3) positions elected in odd-numbered years.

Article 3 The membership shall be selected from a cross-section of the Indian community with their written concurrences after the public hearing and be advised of their selection by written notices. (A) School administrators and/or school board members of school districts on or adjacent to the Warm Springs Indian Reservation shall not serve on the J.O.M. Committee as voting members; however, they may be appointed as ex-officio members.

(B) An employee of a tribal supervised education program or a Johnson O'Malley funded program may not hold voting membership on the J.O.M. committee. Such membership rises the prospect of a conflict of interest. A member holding such a dual status will be given the option to resign or take a leave of absence from the committee for the duration of his/her employ-

ment, written notification of the decision must be given within five days of accepting such employment.

Article 4 In filling vacancies, candidates shall be solicited from a cross section of the Indian community and membership confirmed upon written concurrence and majority vote of the tribal education committee and Johnson O'Malley committee to fill the unexpired term of the vacated position.

Article 5 Termination of mem-

bers on the committee may be determined by: (A) irregular attendance/3 consecutive meetings. (B) Written request by the member. (C) Undesirable conduct. (D) Termination shall be determined by a majority vote of the Johnson O'Malley committee. (E) Upon a decision of the tribal education committee, for cause.

For more information, contact Carroll Dick, committee secretary, at 553-1161, ext. 258.
