White Buff track team takes District

It was a good showing for the Madras White Buffalo track team at the District meet at Mac Hi in Milton-Freewater, as the boys' team took the championship and the girls settled for second place.

Coach Dave Randle said he was really surprised in the performance of some of the kids. They really came through with a good team effort at the District meet. One of the outstanding performances was from Scott Moses, a freshman who won the discus event. The relay teams did very well. This is one of the best performances we've had in several years.

The girls did very well in their performance throughout the year. They did exceptionally well in every respect. Now we are going to State and what they do there is up to them. Randle concluded. There are a lot of things that can happen at the State meet. If we could qualify as many kids for the finals at State as we did at District we could do well there.

On Friday, May 26, the field events get underway at 2:00 p.m. and the running events start at 3:00 p.m. On Saturday the 27th, the field events start at 12:00 noon and running events start at 1:00 p.m.

Jeff Hawes claimed a pair of district victories, taking titles in the 1,500 meters and the 3,000 meters. Sophomore Eric Petersen qualified in the long jump and triple jump, while Jeff Cordill (300 hurdles, both relays), Jesus Segovia (triple jump, 1,600 relay), Jay Blessing (both relays) and Curt Cosgrove (110 hurdles, 400 relay) all advanced. So did a pair of freshmen — Scott Moses (discus) and Troy Phifer (200, both relays).

Speaking of freshmen, ninth-graders Nikki Werner (100, 200, both relays), Jennifer Dreger (shot put), Rebekah Dodson (high jump) and Margie Durette (800, both relays) all will attend the state meet for the Buffs.

Of the Madras' girls 91 points, 58 were scored by freshmen. A couple of seniors, Ellen Blincoe and Emily Ralls, both scored important points, and both qualified for state on the relay teams.

"You could just tell it was a real team effort," Randle said. "We hadn't had that all season long, but the kids, both the boys and the girls, decided it was time."

The following are results from the District meet.

Shauna Craig leads Madras to 4th at State

Shauna Queahpama Craig tied for second in the individual standings at the OSAA-U.S. Bank girls state golf tournament held at the Glendoveer Course in Portland. Craig tied with Margo Evashvskye of Corvallis.

Shauna led the Madras team to fourth place in state behind first place Central Catholic, Bend second, Lakeridge third and Madras fourth. Madras just edged out Marshfield for fourth place by three strokes. Other Madras golfers were Janet Lindgren, Dana Gephart and Heather Miller.

In June, Shauna will travel to Phoenix, Arizona, to participate in the National High School golf tournament representing Oregon. This is quiet an accomplishment for the Madras High School senior.

was ninth with 660-605-1265. Two Madras players, Shauna Craig and Jeanette Lindgren placed in the top 10.

The District 7 girl's championship was held at Pendleton Country Club May 8 and 9. Only the top two teams from District 7 advanced to the state play-offs as Madras placed behind Bend for the first two spots. Bend's team scores for the tournament include 330-342-672. Madras at second scored 356-386-742. Ontario was third with 373-374-747. Pendleton came in fourth with 409-415-824. Mac-Hi was next with 477-451-924. Crook County placed sixth with 463-467-930. Redmond was next with 476-465-940. Heppner placed eighth with 510-427-1037 while Mt. View

Craig of Madras took medalist honors in the District 7 tourney with 158, just three strokes ahead

Renegades win league championship

A local bowling team, "The Renegades," won the league championship for the season just completed. The league is the Tuesday night Merchants league at the Pelton Lanes in Madras.

The league gets underway in September each year and ends during the later part of April. The league usually runs in thirds and the winners of each third goes into the roll-offs at the end of the year to determine the champs. The team members for the Renegades include the captain, Ray Shike, Jr., Ray Shike, Sr., Lawrence Shike and Sid Miller.

In January of this year Ray Shike, Jr. rolled a perfect 300 game which is every bowlers dream but is rarely seen during the league. He will receive a gold ring and several

Klamath Memorial Rodeo set

It's time for cowboys and cowgirls of all ages to dust off their boots and warm up their saddles for the Klamath Memorial Open Rodeo to be held May 27 and 28 at the Klamath Falls Fairgrounds. This year's rodeo will feature a \$100 added purse in each event.

Call-in for entries will be from 10 a.m. to 8 p.m. May 23 and 24. Entry fees for all categories except wild horse racing are \$40. Wild horse race team fees are \$60 per team. Call (503)882-5675 for entries.

Silver buckles will be awarded to first place winner in each division. Jackets will be awarded to the winning wild horse race team.

other prizes. Ray, Jr. was on the verge of getting a 300 game right along all season long. After he has gotten the first 300 game he has come close to getting others piling up the strikes until the last part of the game where one pin usually is left standing.

Ray Shike, Sr. got a strike and another strike, another and another, and before he knew it he had a 300 game. Unfortunately, it was on an open night, so the game was not recognized by ABC. It's a shame to have a guy make all those strikes and not have the game counted. Well maybe next year he will come back and roll another 300 game.

Lawrence Shike, also has had some near misses for a perfect game and who is improving right along may very well get a 300 game in the near future.

Sid Miller, the fourth guy on the team, has had several perfect games started, but usually in the second frame he has to settle for a spare or a miss. YIKES, or Ooops!!! Well, maybe next year he will get two strikes in a row!

Twelve teams participate

Suicide prevention basketball tourney held

Twelve teams participated in the first Annual Suicide Prevention tournament, in memory of George Frank April 14, 15 and 16.
